BOARD MEMORANDUM

TO: 2000 Measure A Citizens Watchdog Committee
 Santa Clara Valley Transportation Authority
 Board of Directors

THROUGH: Michael T. Burns
 General Manager

FROM: Jim Lawson
 Government Affairs Manager

SUBJECT: Lessons Learned by the 1996 Measure B Transportation Improvement Program

FOR DISCUSSION ONLY

At the July 11th, 2007 Citizens Watchdog Committees (CWC), at Member Margaret Okuzumi’s suggestion the Committee decided to invite Tracey Loveridge, current Administrator and Senior Fiscal Officer for the County of Santa Clara’s 1996 Measure B Transportation Improvement Program (MBTIP), to a future meeting.

This invitation was extended for the purpose of having Ms. Loveridge share her experience and the “lessons learned” by the MBTIP Program and its Watchdog Committee (on which Members Okuzumi and Noel Tebo served) with the CWC. It was felt that Ms. Loveridge, due to her expertise and long tenure with the MBTIP Program, could potentially provide input and suggestions applicable to the CWC’s current duties and responsibilities as the citizens oversight committee for the 2000 Measure A Transit Improvement Program.
