

Memorandum

TO: VTA Board of Directors

FROM: Chairperson Cindy Chavez

CC: Michael T. Burns, General Manager

DATE: January 13, 2006

SUBJECT: **Full Participation, Full Information**

Attached is a summary of my comments to the VTA Board of Directors at last week's Board Meeting where I introduced my initiatives for 2006 as Chairperson. Working with the strategy of **Full Participation, Full Information**, we have committed to being fully engaged with our Board, our Advisory Committees and our stakeholders.

I am very excited about being the VTA Board Chairperson this year and having an opportunity to work with all of you. This will be a great year for us!
