SUBJECT: Proposition 1B – Corridor Mobility Improvement Account

FOR INFORMATION ONLY

In November 2006, California voters approved Proposition 1B – the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006. Included in the bond is \$4.5 billion for the Corridor Mobility Improvement Account (CMIA). Projects funded through the CMIA are to result in improvements for the state highway system or major access routes. At the February PAC meeting, staff will provide an update regarding eligible projects for the CMIA and the process for determining which projects will receive funding.
