FROM: John H. Ristow
Chief CMA Officer

SUBJECT: Signal Systems in Santa Clara County – An Update on Ramp Metering, Traffic Signals and Transit Signal Priority

FOR INFORMATION

DISCUSSION:

The purpose of this item is to provide an update on the status of ramp metering, traffic signal systems, and transit signal priority in Santa Clara County. Summary materials will be provided at the meeting that will cover topics such as the following:

- The role of the Systems Operations and Management Working Group of VTA’s Technical Advisory Committee in advancing the development of signal systems in Santa Clara County
- VTA Board direction on signal systems in Santa Clara County as documented in VTP 2030
- Caltrans plans for turning on additional ramp metering in Santa Clara County
- Development of traffic signal systems in Santa Clara County
- Development of bus signal priority in Santa Clara County
