

VTA American Recovery & Reinvestment Act (ARRA) VTA Project Update

On February 17, 2009, President Barack Obama signed the American Recovery and Reinvestment Act or ARRA, which enacted a \$787 billion economic stimulus package to help jumpstart the national economy. ARRA includes \$48 billion for the nation's transportation infrastructure. As part of this package, VTA received over \$56 million for various transportation projects. Below is the list of VTA's ARRA projects and the amount of ARRA funding that has been expended to date:

<i>Project</i>	<i>Funding Amount</i>
ADA Bus Stop Improvements	\$351,800
Bus and Light Rail Operations	\$4.7 million
Express Lane Connector at SR 237 & I-880	\$2.7 million
Highway 85 Express Lane Design	\$3.3 million
Purchase of 70 Hybrid Transit Buses	\$42.4 million*
Preventive Maintenance for Buses and Light Rail	\$2.67 million

*VTA Board of Directors approved the bus purchase order with Gillig Corporation of Hayward on August 6, 2009.

In addition, another \$31.5 million has been programmed for local streets and bike/pedestrian projects throughout Santa Clara County. Below is a list of the projects that are scheduled to receive funding:
