Route 152 Improvements Project

Overview

This project provides safety and operational improvements on Route 152, between U.S. 101 and Route 156 in Gilroy and Santa Clara County.

Objective

To provide safety and operational improvements.

Project Features

Four projects were identified:

- Project A, Phase 1 widened Route 152 from two to four lanes between U.S. 101 to immediately west of ConAgra Foods, constructed new intersections, and improved the northbound U.S. 101 off-ramp to Route 152.
- Project A, Phase 2 constructed a new loop on-ramp to southbound U.S. 101 from westbound Route 152 and improved the southbound U.S. 101 off-ramp to Route 152.
- Project B, Phase 1 widened Route 152 from two to four lanes from immediately west of ConAgra Foods through the Llagas Creek bridge. In addition, this project improved the intersection at the ConAgra Foods east entrance by aligning it with the new South Valley Disposal and Recycling, Inc. entrance and installing a traffic signal.
- Project B, Phase 2 widen Route 152 from Llagas Creek bridge to beyond the Old Llagas Creek bridge.

Operations

Caltrans operates and maintains the newly improved highway.

**Capital Cost/
Project Funding**

\$26.2 million: \$20.7 million from 1996 Measure B local sales tax funding and \$5.5 million from the City of Gilroy.

Cost savings from the Tasman East/Capitol Light Rail Extension Project were applied to Project B, Phase I.
