

ECO PASS PROGRAM

What is Eco Pass?

An annual VTA pass that employers and residential communities purchase for all their full-time employees and residents, giving them access to unlimited rides on any VTA Bus and Light Rail, seven days a week.

Benefits to Employers/Residential Communities

- Eco Passes are significantly discounted from regular fares and monthly passes.
- Provides a low-cost benefit for employees and residents.
- Increased transit ridership reduces on-site parking demand.
- Employers can take a tax deduction for Eco Pass purchases.
- Fewer cars on the road mean less congestion and air pollution.

Benefits to Employees/Residents

- Eco Pass reduces commuting costs.
- Eco Passes are a tax-free employee benefit.
- Less car commuting can lower automobile insurance rates.
- Fewer driving and parking hassles mean less stress and improved morale.

How is the Eco Pass Priced?

- Pricing levels are based on available service and number of employees or residents.
- One low price per employee or resident.
- Passes must be purchased for all full-time employees or residents.
- Minimum contract is \$1,794.

Location/ Service Level	1 - 99 Employees or Residents	100 - 2,999 Employees or Residents	3,000 - 14,999 Employees or Residents	15,000+ Employees or Residents
