

FACT SHEET: **Highways**

I-280/I-880/Stevens Creek Boulevard Project

Overview

The project proposes to improve traffic flow, safety and access between the Interstate 280 (I-280) and Interstate 880 (I-880) freeway corridors near Stevens Creek Boulevard, including modifications to the freeway-to-freeway intersection of State Route 17 (SR-17)/I-280/I-880 freeway interchange, as well as the adjacent interchanges at I-880/Stevens Creek Boulevard and I-280/Winchester Boulevard.

Specific improvements include:

- Reconfiguring the existing full cloverleaf I-880/Stevens Creek Boulevard interchange to improve traffic flow in the surrounding interchange area by widening and realigning ramps, widening the overcrossing structure at Stevens Creek Boulevard over I-880, improving intersections and providing enhanced access for pedestrians and bicyclists.
- Separating freeway-to-freeway traffic from local traffic by constructing a new direct connector from northbound I-280 to northbound I-880.
- Providing a new northbound I-280 off-ramp at Winchester Boulevard.

Objective

To improve overall safety and traffic flow, enhance pedestrian friendly features along Stevens Creek Blvd., separate regional freeway-to-freeway traffic from local traffic and reduce queuing and traffic backups onto northbound I-280 from the connecting ramps to I-880 and Stevens Creek Blvd.

Operations

Upon completion, Caltrans will operate and maintain the improved highway interchanges. The City of San Jose will operate and maintain the local streets outside of Caltrans right-of-way limits.

Capital Cost/Project Funding

\$140-\$175 million (currently not fully funded)/ \$54.3 million is currently funded in a combination of federal, CMIA funds, City of San Jose and VTA funds have been designated for an initial phase focused on the northbound I-280 to northbound I-880 connection and the I-880/Stevens Creek Boulevard interchange.

Project Schedule

Environmental:	Spring 2011
Design:	Mid 2012*
Right-of-Way:	Mid 2012*
Construction Start:	Late 2012**

* Schedule tentative. Funding not identified for all phases of the project.

** A condition of State funding source is that the project begin construction/be awarded by Dec 2012.

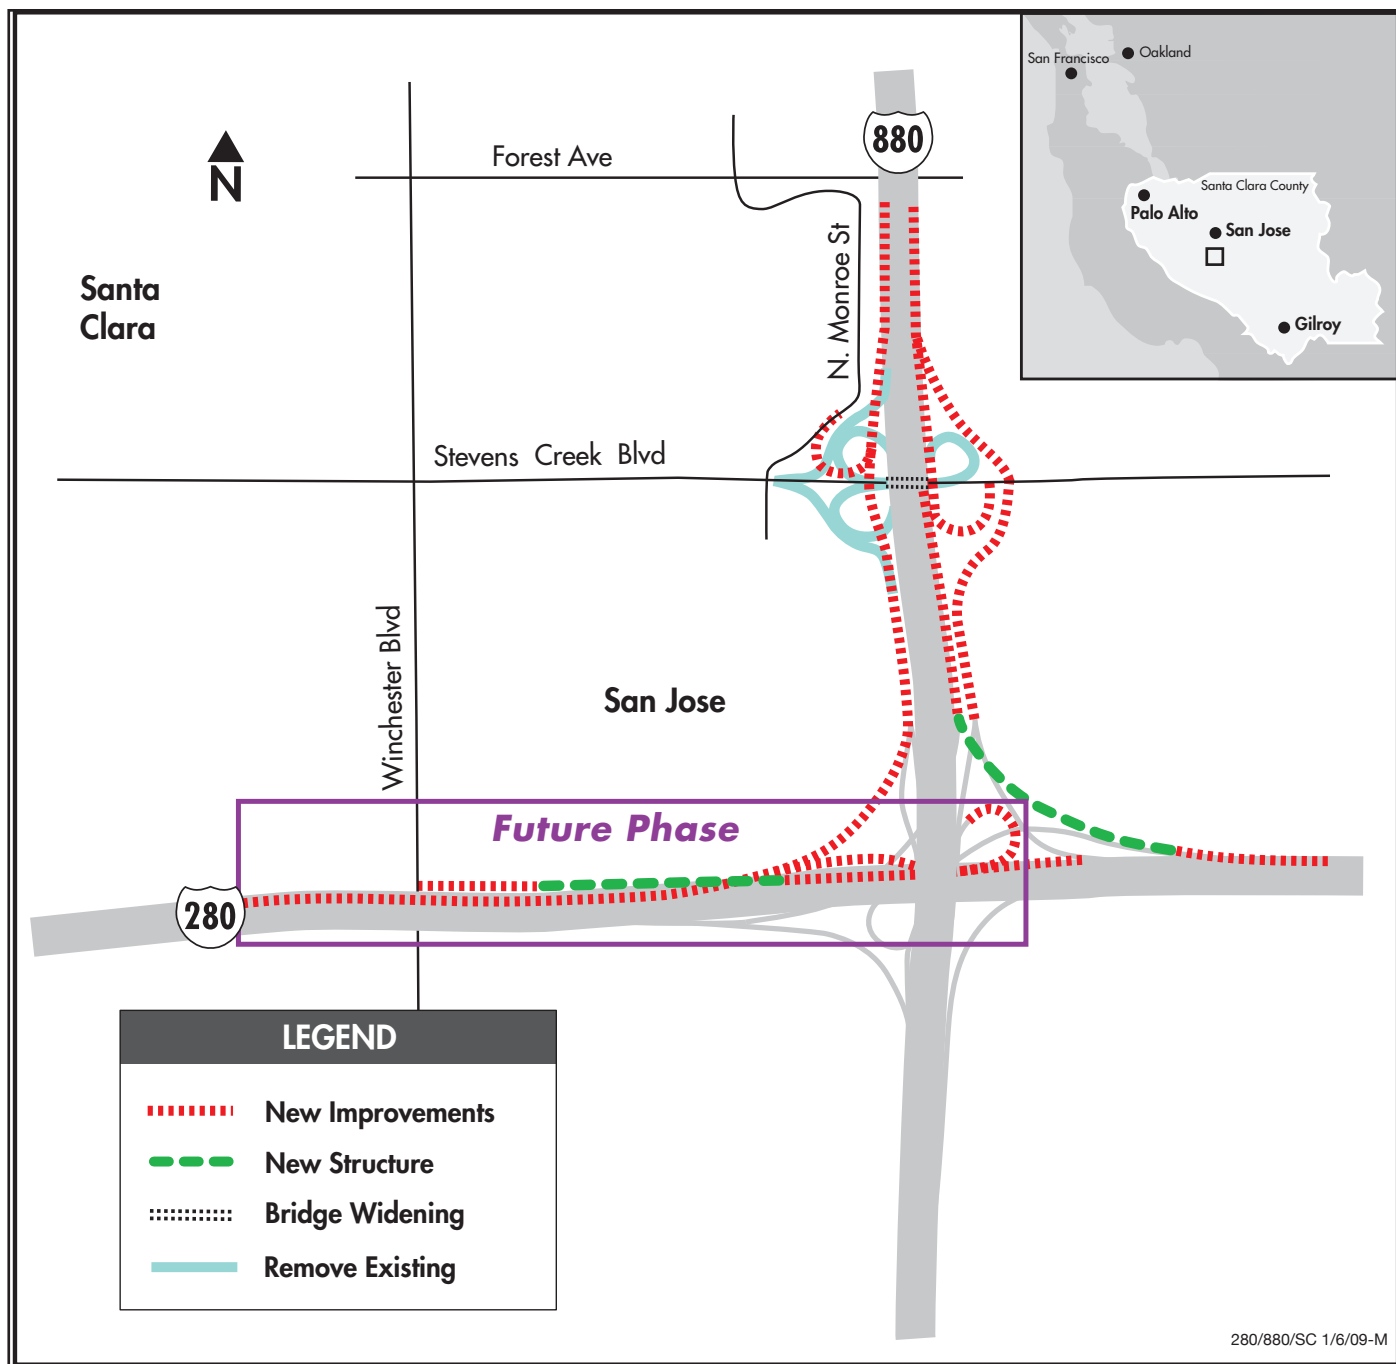

How to Reach Us

If you have any questions about the I-880/I-280/Stevens Creek Improvements Project, please call VTA's Community Outreach Department at (408) 321-7575, (TTY) for the hearing-impaired (408) 321-2330. You may also visit us on the web at www.vta.org, or email us at community.outreach@vta.org.
