**REGULAR AGENDA**

23. **2008 State Legislative Program**

Jim Lawson, Senior Policy Advisor, reported the highlights of VTA’s 2008 State Legislative Program:

- Monitor the development of bills related to the implementation of Proposition 1B by the Legislature;
• Support the full transfer of gasoline sales tax revenues from the General Fund to the Transportation Investment Fund (TIF) pursuant to Proposition 42;
• Support the efforts of the California Transit Association to develop a consensus on a constitutional amendment to permanently protect gasoline sales tax “spillover” revenues for public transportation purposes;
• Ensure that any previous loans from the various state transportation accounts to help with prior-year General Fund deficits are repaid in full;
• Support legislative proposals and policies that ensure that adequate levels of funding are available;
• Support legislative proposals and policies that enhance the ability of local project sponsors and Caltrans to effectively manage and expedite the delivery of transportation projects;
• Work with the California Transit Association and other rail transit operators in the state to streamline the public rail transit safety oversight programs of the California Public Utilities Commission (CPUC);
• Oppose legislative proposals and policies that would take away any amount of State Transportation Improvement Program (STIP);
• Continue to participate in the Silicon Valley High-Speed Rail coalition;
• Support legislative proposals and policies that encourage transit-oriented development;
• Ensure that any legislation to implement AB 32 (Nunez), the Global Warming Solutions Act of 2006, is structured in a way that assists the Bay Area in achieving its own greenhouse gas emissions and mobility goals;
• Monitor the implementation of the California Air Resources Board’s Urban Transit Bus Fleet Rule.

Board Member Casas asked for examples of local Intelligent Transportation Systems. Mr. Lawson responded that Intelligent Transportation System that provides information on traffic condition is being installed along US-101. He added that plans to install them throughout the Bay Area are underway.

**M/S/C (Gage/Caserta) to approve the 2008 State Legislative Program for the Santa Clara Valley Transportation Authority (VTA).**

24. **Regional Measure 2 Funds for Translink® Ticket Vending Machine Integration**

Bill Lopez, Chief Administrative Officer, provided a brief background regarding Translink® Ticket Vending Machine Integration for VTA and Caltrain. He noted that staff is requesting a second allocation for $6,882,201 from MTC for the Design and Construction phases. He reported that the allocation of $6,882,201, together with the previous allocation of $150,000, brings the total funding request to $7,032,201, as authorized by the TransLink Management Group.

Ex-Officio Board Member Yeager commented that the Translink® Ticket Vending Machine Integration have issues that need to be resolved. He added that its completion and total project cost are currently undetermined.
Michael T. Burns, General Manager, commented that the Translink System is sponsored by MTC and the contract to lead the project was awarded to ERG. He discussed the regional significance of the project and noted that Board action is required for MTC to release funding for the project.

Mr. Burns reported on the functions of the Translink Card: 1) Could be used on any transit system; 2) Use to pay for parking meters and garages; and 3) Use for retail transactions.

Chairperson Kniss asked to examine a prototype of the Translink® Ticket Vending Machine.

Board Member Williams asked to receive a breakdown on how the funding for the Translink System would be utilized. Mr. Lopez responded that staff is working with consultants to identify the detailed costing and hardware requirements for the project.

**M/S/C (Gage/Williams)** to request an allocation of $6,882,201 from the Metropolitan Transportation Commission (MTC) for work to be performed for the TransLink® Ticket Vending Machine Integration project, as stated in the Initial Project Report (IPR).

25. **Caltrain Service Upgrades – Safety Improvements**

Michael T. Burns, General Manager, reported that Caltrain Service Upgrades – Safety Improvements represent a comprehensive plan of safety projects throughout the Caltrain corridor, primarily at grade crossings and pedestrian crossings. He noted the following funding sources: 1) Federal; 2) State; 3) Infrastructure Bonds; and 4) 2000 Measure A. He expressed the importance of the safety projects to support the improvements on Caltrain.

Mr. Burns commented that staff is studying the possibility of immediate implementation of the projects as recommended by Committee Members.

Board Member Sellers clarified that two of the identified Streets should be changed into Avenues.

**M/S/C (Gage/Williams)** to approve the list of projects for the Caltrain Service Upgrades – Safety Improvements Project.

26. **Construction Contract Amendment, River Oaks Bicycle and Pedestrian Bridge**

Mark Robinson, Acting Chief Engineering and Construction Officer, provided a brief background report on the River Oaks Bicycle and Pedestrian Bridge. He noted the
following recommendations: 1) Approve the settlement reached with Stevens Creek Quarry, Inc. for a total amount of $500,486; 2) Amend construction contract by $352,000; and 3) Authorize a $250,000 increase in appropriation to the River Oaks Bicycle and Pedestrian Bridge Project in the VTP Highway Program.

M/S/C (Gage/Sellers) to approve the settlement reached with Stevens Creek Quarry, Inc. to resolve the Government Code Claim on the River Oaks Bicycle and Pedestrian Bridge construction contract in the total amount of $500,486 which includes release of retention in the amount of $148,486 and additional payment in the amount of $352,000. Authorize the General Manager to amend the construction contract by $352,000 for a new contract amount of $2,142,096. This exceeds the currently approved Board authorized contract authority by $97,651. Additionally, to fund the settlement and associated administrative costs, authorize a $250,000 increase in appropriation to the River Oaks Bicycle and Pedestrian Bridge Project in the VTP Highway Program. This appropriation will increase the project budget from $3,322,000 to $3,572,000.
