Organizational Commitment

Santa Clara County, the heart of the Silicon Valley, is home to one of the most innovative, creative and diverse communities in the country. With a population of 1.7 million people, more than half of the County’s residents speak a language other than English at home compared to 20% of the United States population in that same demographic.

Because of our multicultural customer base, VTA recognizes its opportunities and obligations by proactively ensuring that our policies, services and programs are delivered by communications tools and processes that are inclusive and effective. By these actions, we can make certain that no person, because of their race, color or national origin is denied meaningful access to our transportation services, programs and information.

VTA supports the goal of Title VI and its Executive Orders on Limited English Proficiency (LEP) and Environmental Justice to provide meaningful access to its services, projects and activities by low-income, minority, and limited English proficient persons.

VTA is strongly committed to meeting its regulatory requirements under Title VI. The organization is structured so that oversight and management of policy development, training, regulatory compliance, reporting and monitoring of all anti-discrimination policies as it relates to Title VI and LEP are centralized in one department; the Office of Civil Rights. Employees from every division within the organization work cooperatively to contribute to the success of our Title VI program.

With respect Title VI, VTA will:

- Ensure that the level and quality of transportation service is provided without regard to race, color, or national origin.
- Identify and address, as appropriate, disproportionately high and adverse human health and environmental effects, including social and economic effects of programs and activities on minority populations and low-income populations.
- Promote full and fair participation of all affected populations in transportation decision-making.
- Prevent the denial, reduction, or delay in benefits related to programs and activities that benefit minority populations or low-income populations.
- Ensure meaningful access to programs and activities by persons with limited English proficiency.

**Complaint Process**

The Santa Clara Valley Transportation Authority (VTA) grants all citizens equal access to all its transportation services. It is further the intent of VTA, that all citizens are aware of their rights to such access. This site is designed to serve as an educational tool for citizens so that they may understand one of the civil rights laws that protect their benefit of VTA programs and services, specifically, as it relates to Title VI of the Civil Rights Act of 1964.

**What is Title VI**

Title VI is a section of the Civil Rights Act of 1964 requiring that “No person in the United States shall on the grounds of race, color or national origin, be excluded from participation in, be
denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” Note that Title VI does not address gender discrimination. It only covers race, color and national origin. Other Civil Rights laws prohibit gender discrimination.

**Who are Limited English Proficient Persons?**

Persons who do not speak English as their primary language and who have limited ability to read, speak, write, or understand English can be limited English proficient, or “LEP.” These individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Different treatment based on a person’s inability to speak, read, write, or understand English may be a type of national origin discrimination.

**How do I file a complaint?**

If you believe that you have received discriminatory treatment by the VTA on the basis of your race, color or national origin, you have the right to file a complaint with the VTA Title VI Coordinator. The complaint must be filed no later than 180 calendar days of the alleged discriminatory incident.
