Welcome to VTA's Business Diversity Programs

At the Valley Transportation Authority, it is our responsibility to provide an equal opportunity for all businesses to be represented in improving our transportation infrastructure.

VTA's Business Diversity Programs are designed to provide Disadvantaged, Small, Minority, Women, Disabled Veteran, and LGBT- owned businesses with a myriad of opportunities to learn, engage, and contribute within Silicon Valley's transportation industry.

VTA is honored to have been recognized for its nationally ground-breaking effort to include LGBT- owned businesses in this process, and we are proud to partner with the County of Santa Clara in encouraging this access in other important arenas in our region.

We have developed a strategic business diversity program that is targeted at providing participants with the key knowledge they will need to bid, compete for VTA contracts, receive certification, and grow their business.

I invite you to take advantage of an exceptional diversity program, and join us in making Santa Clara County the best it can be.

Business Diversity Program Objectives

- One Stop Certification
- Increase awareness of Business Diversity Programs
- Assist small, disadvantaged, women, minority, DV, and LGBT owned businesses grow
- Provide networking and business development technical assistance such as certification training, submitting proposals/bids, presentation on bonding, estimating, and bidding
- Provide a centralized website for SBE, DBE, M/WBE, DVBE and LGBTBE resources

Section II: Disadvantaged Business Enterprise (DBE) Program (Federal Funding Only)

What is the DBE Program?

The DBE Program was established by the federal government to ensure women-and-minority owned businesses have the opportunity to participate in contracts financed in whole or in part by the U.S. Department of Transportation (49 CFR Part 26)

DBE Program Objectives

- To ensure nondiscrimination in the award and administration of DOT assisted contracts
- To create a level playing field on which DBE's can compete fairly for DOT assisted contracts
- To ensure that the DBE Program is narrowly tailored in accordance with applicable law
- To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as a DBE
- To help eliminate barriers to the participation of DBE firms in DOT assisted contracts
- To assist the development of firms that can compete successfully in the market place outside the DBE Program

Fostering Small Business Participation (49 CFR Part 26.39)

In 2012, a new element was added to the DBE Program intended to assist in leveling the playing field for small businesses. It is considered a race and gender-neutral element of the Department's DBE Program.

Certification Eligibility Requirements

In order to become a certified DBE, a firm must be 51% or more owned and controlled by a socially and economically disadvantaged individual within the meaning of DOT regulations. Additional DBE certification criteria include:

- Firm must be a for profit, small business meeting SBE size standards
- Qualified owner(s) must have a personal net worth that does not exceed \$1.32 million
- Qualified owner(s) must be a U.S. citizen or lawful permanent resident.
