VTA Board Members,

VTA still has a few days for the community to [submit comments](#) on the [2021 Transit Service Plan](#), which will go into effect in February 2021. The deadline for public input on the three proposed scenarios is Oct. 16, 2020.

In early September, VTA announced its intent to implement a new Transit Service Plan in response to the economic challenges brought on by the COVID-19 pandemic. Since then, virtual public meetings were held on [Sept. 23](#) and [Sept. 29](#). A New Spanish version of the presentation (YouTube & ppt), [Plan de Servicio del Transporte Público 2021](#), is also available.

Thank you for helping to promote this to your constituents. [More information is available here.](#)
