**Subject:** From VTA: Gilroy Transit Center and Branham Station TOD Community Meetings on 4/22 and 4/28

**VTA Board of Directors and Advisory Committee Members:**

VTA is holding two community meetings looking for community input on proposed affordable housing opportunities at the Gilroy Transit Center and San Jose's Branham Light Rail Station.

Virtual public meetings will be held April 22, 2021 at 6:00 pm for the Gilroy project, and April 28, 2021 at 6:00 pm for the Branham Station project.

**Gilroy Transit Center** - This public meeting is to discuss the community's vision for the Gilroy Transit Center location, located next to the Caltrain station on Monterey Highway and 7th Street. Based on community input at the first two virtual gatherings, VTA has come up with conceptual designs for the Gilroy development. April 22 is another chance for the community to voice suggestions on design ideas and features that will make the area around the Gilroy Transit Center more inviting to live, work and shop.

**Branham Station** - On April 28, VTA will host a community meeting regarding a proposed Transit-Oriented Development (TOD) at VTA's Branham Station, located at Branham Lane and Narvaez Avenue in South San Jose. VTA is considering a project that could provide additional affordable housing in the area and may include homeownership opportunities.

VTA staff are engaging the Gilroy and South San Jose community, city council, and city staff in this effort. For more information about the community meetings, please see the attached community meeting notices.
