Santa Clara County Health and Hospital System - Valley Medical Center (VMC) Locations

Valley Medical Center is currently offering testing at one drive-through site in Santa Clara County. Anyone can be tested, and there are no requirements for testing criteria or insurance. Appointments are available on the days and times specified below.

To schedule your appointment at the location below, please call 1-888-334-1000.

Santa Clara Valley Medical Center (SCVMC) – Valley Health Center East Valley

> 1993 McKee Road, San Jose, CA 95116 (Saturdays and Sundays from 8:30 a.m. to 4:00 p.m.)

COVID-19 testing is also available through your healthcare provider.

Large healthcare systems, including the County of Santa Clara Health and Hospital System, Kaiser Permanente, Palo Alto Medical Foundation, Stanford Healthcare, El Camino Hospital, Good Samaritan Hospital, and Regional Medical Center are all _required_ to test the following three categories of patients:

1. All patients with COVID-19 symptoms

2. All patients who have had close contact with a person who tested positive for COVID-19

3. All patients at higher risk of exposure to COVID-19 because they work in front-line settings, regularly ride mass transit, or have recently attended a mass gathering.

If none of the sites listed above are convenient for you to visit, please click **here** to find a testing site in an area that is easier for you to access.

As mentioned above, all VTA staff without symptoms of COVID-19 are advised to visit one of the following temporary locations to get tested. This is especially urgent now considering the number of cases in the Bay Area has been increasing, and it is important to note that people do not need to show symptoms to spread the virus. In fact, of those who spread the virus:

41% are symptomatic,

35% are pre-symptomatic,

and 24% are asymptomatic.

County of Santa Clara – COVID-19 Support Team

If you or anyone you know is in need of supportive services (e.g. temporary housing, medical check-ins, mental health counseling) due to testing positive for COVID-19 or being in close contact with someone who has tested positive, please click here for more information.

Once you receive your results, please forward them to VTA.COVID-19.RPT@vta.org and note the date your test was conducted if it is not stated in your results.
