

Planning & Design & Ops, Oh My! Transit Service Planning Monday, June 5 | 6 - 7pm

Zoom Virtual Meeting

Do you wonder how a route becomes part of our service? Join our Ask VTA to learn how we design our transit network for Santa Clara County.

In this facilitated Q&A, VTA transportation planners and schedulers will explain how they create a service plan and what factors they must consider each year to help deliver safe, convenient, and reliable transportation. So whether you commute to work or school or travel for fun, learn how our transit network is designed to move you.
