

Phase I – Berryessa Extension

Berryessa Station

Overview

The Berryessa BART Station is one of two stations that are part of the 10-mile Berryessa Extension, the first phase of the 16-mile BART Silicon Valley extension of the regional BART system. The station is located between Berryessa and Mabury roads, adjacent to the San Jose Flea Market in east San Jose.

The station is positioned where the Penitencia and Coyote Creeks meet in eastern San Jose. It's architecture and landscaping reflects the environment, including water flow, and features the natural habitat and San Jose's agricultural past.

Station at a Glance

- 25,000 daily passengers projected in 2030
- Approximately a 60-minute trip to San Francisco
- Trains arrive every 7 ½ minutes (Berryessa Station will be served by two BART lines that operate every 15 minutes)
- Street level concourse, above-ground boarding platform
- Multi-story parking garage next to station
- Convenient private shuttle and “Kiss-and-Ride” loading areas
- Freeway access from US 101/Oakland Road and I-680/Berryessa Road
- VTA bus transit center with Express Bus service to Downtown San Jose
- On-site bicycle paths and indoor bicycle storage room
