2021 Better Bus Stops Program

March 2020

Program Overview

The Better Bus Stops Program is a new annual program to improve bus stops throughout VTA's network.

Funding

- 2021 Better Bus Stops program
 - <u>Up to \$6.7 M</u>
 - \$4.1 M in MTC Lifeline Grant Cycle 5
 - \$2.6 M in Measure B Bus Stop Amenities funding category
- Future annual Better Bus Stop program
 - Measure B Bus Stop Amenities funding category

What do Better Bus Stops look like?

Potential Amenities

VTA policies guide placement of stop amenities

Considerations to Surrounding Area

Urban Stops

Suburban Stops

ADA Requirements

pedestrian pathway

Easier

Often easier when amenities can readily fit without impeding on ADA requirements

- info sign
- lighting

Bus Stop 20==

• trash can

More Complex

Some amenities may require concrete work, sidewalk expansion, and/or easements bench shelter • bus pad Expand sidewalk

Bus pad

San Carlos and Bascom (February 2017)

San Carlos and Bascom (August 2017)

San Carlos and Bascom (September 2019)

Annual Community Engagement Strategy

Stakeholders

- Riders
- Operators
- Mayors/Councilmembers throughout Santa Clara County
- Community-Based Organizations
- Community Centers
- Senior Centers
- Nonprofits

Community Engagement Site

Valley Transportation Authority VTA Better Bus Stops Community Engagement Site VTA Better Bus Stops 🖪 У Rate a Bus Stop Rider Survey Potential Project List Project Overview VTA's Better Bus Stops Program aims to advance regional transit equity through new investments in bus stop improvements. It is the first in an annual program that will consider every bus stop in the system and enhance amenities for riders. a the state of We are seeking community input, particularly transit users, to review the initial project list and help staff identify and prioritize where improvements should go. To submit feedback on bus stops you can take one of our 2 surveys: 1. Click the tab Rate a Bus Stop on the top of this page to submit feedback on a particular VTA bus stop 2. Click the tab Rider Survey on the top of this page to submit feedback on what amenities are most important to you To learn more about this year's 2021 Better Bus Stop Program please visit our project website here.

2016 MEASURE B https://www.vta.org/projects/better-bus-stops

Program Stages

- 1. Evaluate Bus Stops and Develop Potential Project List early 2020
 - 2. Additional Community Engagement March 2020
 - 3. Refine the Project List April 2020
 - 4. Engineering and Design Work Summer 2020
 - 5. Advertise Bid for Construction Fall 2020
