Article VII Code of Ethics

Sec. 2-66. Responsibilities of Public Office

The proper operation of democratic government requires that public officials be responsible to the people; that public office or employment not be improperly influenced or used for personal gain; and that the public have confidence in the integrity of government.

The members of the Board of Directors hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the State of California and to carry out impartially the laws of the nation, state, and VTA. Public officials are bound to observe the highest standards of performance and to discharge faithfully the duties of their office, regardless of personal considerations.

Sec. 2-67. Responsibilities of Directors

The primary responsibility of each Director is to promote the best interest of the public in determining VTA policy. Each Director shall carry out his or her duties in the interest of the agency and not in his or her own interest or in the interest of another person or entity. Directors shall consider the interests of their constituency during deliberations by the Board but shall act in the best interest of all stakeholders.

Sec. 2-68. Purpose of Code of Ethics

The purpose of this Code of Ethics is to recognize the ethical responsibilities of public officials under existing law and to prescribe ethical standards of conduct, which will assure that their actions will not be in conflict or incompatible with the best interests of VTA. The provisions of this Code of Ethics are hereby declared to be in the best interest of VTA and for the protection of the public interest.

This Code of Ethics shall be construed broadly in order to effectuate its purposes. To the extent that the provisions of this Code of Ethics overlap existing general law or regulations, the more stringent provisions shall control.

Sec. 2-69. Existing Standards of Conduct for Public Officials

There are numerous laws and regulations that govern the conduct of public officials and that are applicable to VTA. Because they are contained in various state statutes as well as federal regulations, the following attempts to set them forth in one document for ready reference. When in doubt as to the applicability of any law or regulation, or provision of this Code of Ethics to any particular situation, the potentially affected public official should request an advisory opinion from the Office of the General Counsel. Public officials shall ultimately be responsible for ensuring that they are in compliance with all federal, state, and local rules that apply to them.

The following sections, which summarize the applicable laws and regulations, govern the conduct of all public officials. All persons subject to this Code shall be familiar with its provisions:

- (a) Public officials shall disqualify themselves from making, or participating in the making of, or in any way attempting to use their official position to influence, a governmental decision in which they know or have reason to know they have a financial interest. (Government Code § 87100).
- (b) Directors shall not accept, solicit, or direct a contribution of more than \$250 from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before VTA and for 3 months following the date a final decision is rendered in the proceeding if the Director knows or has reason to know that the participant has a financial interest. Directors shall not make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or entitlement for use pending before VTA if the Director has willfully or knowingly received a contribution in an amount of more than \$250 within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the Director knows or has reason to know that the participant has a financial interest in the decision. This provision shall not apply competitively bid, labor, or personal employment contracts. (Government Code § 84308).
- (c) Public officials shall not be financially interested in any contract made by them in their official capacity. They shall not be purchasers at any sale or vendors at any purchase made by them in their official capacity. A contract made in violation of these sections may be voided by the Board of Directors. (Government Code § 1090 et seq.)
- (d) Personal Conflicts of Interest. As provided in the Common Grant Rules and in the Federal Transit Administration (FTA) Master Agreement, no employee, officer, agent, or board member, or his or her immediate family member, partner, or organization that employs or is about to employ any of the foregoing individuals may participate in the selection, award, or administration of a contract supported with FTA assistance if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when any of those individuals previously listed has a financial or other interest in the firm selected for award. (Federal Circular 4220.1F)

- (e) Directors and employees shall not engage in any employment or activity for compensation which is inconsistent or incompatible or in conflict with his or her duties as a Director or employee, or with the duties of his or her appointing power or the agency by which he or she is employed (that is, which would interfere with the official's ability to carry out official duties or exercise independent judgment on behalf of the public interest) (Government Code §§1126, 1128); and shall not engage in outside employment or provide services for compensation where any part of those efforts will be subject to approval by the Board of Directors, or any other board, officer, or employee acting on behalf of VTA. (Government Code § 1126(a)).
- (f) A public official shall not participate in a government decision in which he or she has a close personal interest which would tend to impair the exercise of independent judgment in the public interest.
- (g) A public official shall not hold another public office where the two offices are incompatible.
- (h) A Director, officer, employee, or agent of VTA shall not solicit or accept gifts, gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to subagreements, except an unsolicited gift of nominal intrinsic value. "Nominal intrinsic value" for purposes of this section shall mean a value of less than \$50. (FTA Circular 4220.1F, Chapter III sec. 1b.)
- (i) A public official shall not disclose or otherwise use confidential information acquired by virtue of his or her position or employment with VTA for his or her or another person's private gain. A Director or employee shall not reveal information received in lawful closed session unless such information is required by law to be disclosed. A Director or employee shall not take any action or provide any information for or on behalf of any prospective contractor or vendor which interferes with free and open competition for VTA contracts.

Sec. 2-70. Incompatible Uncompensated Activities

- (a) Directors may participate in outside activities for which they are not compensated, but are discouraged from participating in such non-compensated activities which:
 - (1) Involve a substantial commitment of time that interferes with the Director's ability to timely discharge his or her official duties; or
 - (2) Involve matters which come regularly before the Board and would create a substantial conflict between the private interests and the exercise of Board authority in the public interest.
- (b) A Director may disqualify himself or herself in matters coming before the Board where the Director concludes that participation would create the appearance of a conflict of interest.

Sec. 2-71. Prohibitions Against Use of Office for Personal Gain

A public official shall not use for personal gain or advantage VTA facilities, equipment, supplies, personnel, or other things of value; or his or her office to secure, for personal benefit, gifts, special privileges, or exemptions.

Sec. 2-72. Conduct When There May Be a Financial Interest

Directors, employees, and consultants shall conduct themselves as follows whenever the Director, employee or consultant has, or may have, a financial interest in making or participating in the making of, any governmental decision:

- (c) Consultants: The consultant shall immediately report the nature of the matter and the existence of the conflict to the General Manager, who shall determine the action to be taken.

Sec. 2-73. Undue Influence or Favor

A public official shall not, by his or her conduct, give reasonable basis for the impression that any person improperly can influence him or her or unduly enjoy his or her favor in the performance of his or her official acts or actions, or that he or she is affected unduly by the kinship, rank, position of, or association with, any person.

Sec. 2-74. Violations: Procedure

Alleged violations of the provisions of this Code of Ethics by a Director, advisory board member, committee member, vendor, or contractor/consultant may be referred to the Auditor General for investigation and initial assessment. The Auditor General, in consultation with General Counsel, shall promptly provide notice to the alleged violator of the allegation, unless the Auditor General determines either that (1) the allegation, on its face, does not amount to a violation of the Code of Ethics or warrant even an initial evaluation, or (2) notice of the allegation must be delayed in order not to compromise an initial evaluation. If the Auditor General determines after an initial evaluation that sufficient cause exists to conduct an investigation into the allegations, the Auditor General may either instigate and/or assign an investigation, and shall give the alleged violator notice of such. The Auditor General or assigned investigator(s) shall provide the alleged violator with a reasonable opportunity to be interviewed concerning the allegations. The Auditor General or assigned investigator(s) shall report the findings of the investigation and any recommendations to the Board. The Board shall either approve the findings and recommendations or else take other appropriate action consistent with the provisions of the Administrative Code. The Board may not approve a finding of an Ethics Code violation or impose any penalties unless the alleged violator is provided a reasonable opportunity to be publicly heard concerning the allegations or findings and to present evidence in rebuttal.

Alleged violations of the provisions of this Code of Ethics by a VTA employee may be referred to the Auditor General, the General Manager, or the General Counsel for initial evaluation, referral, investigation, and action, as appropriate. Investigations of employees shall be performed in accordance with the VTA's standard practice for conducting employee misconduct investigations, consistent with applicable law, labor agreements, and/or personnel procedures.

Ethics complaints against the Auditor General may be reported to the General Counsel, who shall take actions consistent with this Section's requirement of providing notice and conducting or assigning an investigation.

Directors and other individuals may also report any ethics allegations to officials responsible by law for enforcement of this Code or the other provisions of law pertaining to conflicts of interest or standards of conduct for public officials.

This authority may be delegated to other employees of VTA by written authorization of the General Manager.

Sec. 9-4.1. **No Bids**

Except as may be prohibited by federal requirements, if no responsive and responsible bids are received following an invitation for sealed bids, the purchasing agent or the Board, as the case may be, may authorize the work to be performed through a negotiated contract.

If approved by the purchasing agent, the transfer shall be made.

Sec. 9-7. Disposition of Surplus Personal Property; Proceeds; Securing Value

The purchasing agent may, by direct sale or otherwise, sell, lease, or dispose of any personal property belonging to VTA not required for VTA use, subject to any requirements as may be provided by the Board of Directors. The proceeds of any sale of Congestion Management Program assets shall be allocated to the accounts for that program.

Sec. 9-8. Advertising Proposed Sale; Decision of Purchasing Agent

Upon approval by the Board of Directors or the General Manager to sell or dispose of VTA personal property, the purchasing agent may purchase advertising space and may advertise the proposed sale or other disposition of any VTA personal property pursuant to this chapter in such newspapers, magazines, periodicals or electronic media which, in the purchasing agent's judgment, will best publicize the proposed sale or other disposition to those persons most likely to bid for or purchase the personal property. Within the limits of the order of the Board approving the advertising, the purchasing agent shall decide upon the amount, nature, make-up and content of the advertising.

Sec. 9-9. Sale and Leaseback of Personal Property

The purchasing agent, with approval of the Board of Directors and after publishing notice of the intended action in accordance with law, may, by direct sale or otherwise, sell to a purchaser any personal property owned or to be owned by VTA, provided the purchaser agrees to lease the equipment back to VTA for use by VTA following the sale. The approval of the Board of Directors of the sale and leaseback shall be given only if the Board finds, by resolution, that the sale and leaseback is the most economical means for providing such personal property to VTA.

Article II General

Sec. 9-10. Use of Procurements of Other Public Agencies

The purchasing agent may procure supplies, materials, equipment or services from vendors who have been awarded a contract therefor through a competitive solicitation process conducted by another public agency, provided that: (1) the solicitation done by the other public agency included adequate competition to ensure that the price achieved was fair and reasonable; (2) prices comparable to those offered to the awarding agency are secured for VTA; and (3) VTA's procurement through the other agency's competitive solicitation does not exceed \$500,000 or five years' duration.

Sec. 9-11. Preference for Local Firms

In the procurement of independent contractors to perform services for VTA, local firms shall be given a preference in the selection process, as follows: In a 100 point scoring system, 5 points shall be awarded if at least 50% of the dollar value of services to be rendered will be performed by a local firm, and an additional point shall be awarded for each additional 10% of the dollar value of services to be performed by a local firm, to a maximum point award of 10 points.

For this purpose, local firms are those that currently have their main office or a branch office with meaningful production capability located within Santa Clara County, or those firms who, upon award of the contract by VTA, will establish such a local office. This preference shall not apply when prohibited by law or regulation.

Secs. 9-12 - 9-19. *Reserved*

Sec. 9-24. Contract Formation

All VTA contracts are required to be in writing and shall be approved as to form by the General Counsel or his or her designee prior to execution by the VTA. No contract shall be enforceable against the VTA unless it is in writing and approved as to form by the General Counsel or his or her designee.

Sec. 9-25. Reserved

Responsibility of Bidders and Contractors**

Sec. 9-26. Policy

It is VTA policy that (1) purchases shall be made from, (2) bids and proposals shall be solicited from, (3) contracts shall be awarded to, and (4) consent shall be given to subcontract with “responsible contractors” only.

Sec. 9-27. Definition of “Responsible Contractor”

As used in this article, the term “contractor” includes bidders, proposers, suppliers, consultants, and subcontractors. To be deemed “responsible,” a contractor must be eligible to receive an award under applicable laws and regulations and have:

- (b) A satisfactory performance record with VTA or other public or private entities;

Sec. 9-28. Conduct Required of Responsible Contractors

- (a) The purchasing agent shall ensure that contractors are informed that they shall at all times deal in good faith and truthfully with VTA, and that they shall submit documentation to VTA, including reports, claims, requests for change orders, equitable adjustments, contract modifications, or requests of any kind seeking increased compensation or decreases of an obligation on a VTA contract, only in good faith, and upon an honest evaluation of the underlying circumstances and an honest calculation of any amount being sought. The purchasing agent shall inform contractors that a violation of this standard of conduct will subject the contractor to being deemed “nonresponsible” and potentially ineligible for future contracts with VTA, regardless of whether VTA relied on or responded to the submission.

Sec. 9-29. Debarment and Suspension of Non-Responsible Contractors

- (a) In order to effectuate VTA’s policy to contract only with responsible contractors, the purchasing agent may initiate debarment or suspension proceedings.
- (b) “Debarment” is the exclusion of a contractor from VTA contracting for a reasonable, specified period, not to exceed five (5) years.
- (c) “Suspension” is a temporary disqualification of a contractor from VTA contracting pending an investigation.
- (d) Debarred or suspended contractors may not receive VTA contracts, and VTA personnel may not make purchases from, solicit offers from, award contracts to, or consent to subcontracting with these contractors.

Sec. 9-30. Causes for Debarment

The Board may debar a contractor for any of the following:

- (a) Conviction of, or civil judgment by, a Federal or State court for:
 - (1) Commission of fraud or a criminal offense in connection with (A) obtaining, (B) attempting to obtain, or (C) performing a public contract or subcontract;

 - (4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of the contractor.

- (b) When it is determined, based upon a preponderance of the evidence, that the contractor concerned:
 - (1) Violated the terms of a VTA contract or a subcontract so seriously as to affect the integrity of a VTA program, such as by:
 - (i) The willful failure to perform in accordance with the terms of a VTA contract; or
 - (ii) A history of failure to perform in accordance with the terms of one or more contracts; or
 - (2) Submitted a false claim or engaged in any other conduct indicating a lack of trustworthiness, integrity, honesty, or business ethics that seriously and directly affects the present responsibility of the contractor.
 - (3) Engaged in any other conduct of so serious or compelling a nature that it affects the present responsibility of the contractor.

Sec. 9-31. Debarment; Notice; Hearing; Procedures

Before a contractor may be debarred from contracting with VTA, VTA shall provide the contractor written notice of the cause or causes for the proposed debarment, and of all evidence supporting the proposed action. The contractor shall be entitled to a public hearing on the proposed debarment and to reasonable notice of the time and place thereof. Implementation of this section shall be pursuant to procedures adopted by the purchasing agent.

Sec. 9-32. Causes for Suspension

The purchasing agent may suspend a contractor, upon adequate evidence:

- (a) To suspect the commission of an offense listed in Section 9-30(a)(1), (2), (3) or (4); or
- (b) That a cause for debarment under Section 9-30 may exist.

Indictment by Federal or State authorities shall constitute adequate evidence for suspension.

Sec. 9-33. Suspension; Notice; Hearing; Procedures

Before a contractor may be suspended from contracting with VTA, VTA shall provide the contractor written notice of the cause or causes for the proposed suspension, and of all evidence supporting the proposed action. The contractor shall be entitled to a public hearing on the proposed suspension and to reasonable notice of the time and place thereof. Implementation of this section shall be pursuant to procedures adopted by the purchasing agent.

Chapter 10

CONGESTION MANAGEMENT PROGRAM

Sec. 10-1. Congestion Management Program to be Implemented According to Joint Powers Agreement.

The congestion management program shall be implemented by VTA in accordance with the Joint Powers Agreement for the Administration of the Santa Clara County Congestion Management Program, dated December 1, 1994, as most recently amended. The joint powers agreement shall govern in the event of any conflict between this Code and the joint powers agreement. The powers, functions and responsibilities of the congestion management program shall be performed by a discrete unit within VTA. This unit shall have a degree of independence commensurate with its unique function of evaluating competing projects and proposals submitted by Member Agencies as well as by other units within VTA. This unit shall be headed by a manager appointed by the General Manager, with the concurrence of the Board of Directors. The functions of the unit shall be substantially comparable to those that existed in the Santa Clara County Congestion Management Agency. The unit shall include positions and related job classifications which are appropriate to and reflect the professional and technical needs of the land use and transportation planning and programming functions of the Santa Clara County Congestion Management Agency.

Sec. 10-2. Congestion Management Program Annual Budget Procedures

- (a) Before April 1 of each year, VTA shall provide to each Member Agency a preliminary scope of work and a preliminary budget setting forth all administrative, operational and capital expenses necessary to implement the congestion management program for the fiscal year commencing upon July 1 of that calendar year.
- (b) The preliminary budget shall set forth each Member Agency's share of the expenses related to implementation of the congestion management program. These expenses shall be apportioned as fees among the Member Agencies using the same formula used by the Santa Clara County Congestion Management Agency, which is based equally upon each Member Agency's relative share of the County-wide job population and of the County-wide gas tax subventions under Proposition 111.
- (c) The congestion management program budget shall be a part of VTA's comprehensive budget and shall be adopted in accordance with the procedures set forth in this Code, except as otherwise provided in the joint powers agreement. The adopted budget shall set forth all administrative, operational and capital expenses for the congestion management program, together with the apportionment of such expenses by levy against each Member Agency to the extent necessary to fund the adopted budget.
- (d) VTA shall provide a copy of the adopted budget and final apportionment of costs for implementing the congestion management program to each Member Agency within 30 days after the adoption of the budget.
- (e) If the Board of Directors elects to adopt a multi-year budget, the procedures set forth in this section shall apply.

Sec. 10-3. Member Agency Fees

- (a) Member Agency fees shall be levied in accordance with the Joint Powers Agreement for the Administration of the Santa Clara County Congestion Management Program, dated December 1, 1994, as most recently amended. The annual fee shall be due on the date or dates, if the fee is payable in installments, set forth by the Board of Directors. A Member Agency's failure to pay the fee levied against it to VTA within six months after the fee is due shall be deemed to constitute nonconformance with the requirements of the congestion management program, and the Board of Directors shall cause the State Controller to be notified of the Member Agency's nonconformance.
- (b) If at the end of the fiscal year the actual expenditures of VTA for implementing the congestion management program are less than the fees actually collected that year from the Member Agencies and the Board decides to retain those surplus fees, VTA shall use those fees as a credit against the annual fees due the following fiscal year. If the Board decides to return those surplus fees, then those fees shall be returned to each Member Agency in the same proportion as collected.

Sec. 10-4. Congestion Management Program Funds and Accounts

- (a) The assets and funds transferred from the Santa Clara County Congestion Management Agency to VTA shall become and remain a part of the congestion management program unit within VTA. They shall not be commingled with other assets and funds of VTA, but shall be used only for implementing the congestion management program.
- (b) The congestion management program funds shall be placed in a separate fund of VTA and not be commingled with other VTA funds. That fund shall be subject to inspection and audit by VTA's auditors.
- (c) In the event of termination of the congestion management program or transfer of the congestion management program to another agency, congestion management agency funds, including any interest earned on deposits remaining upon termination or transfer of the congestion management program and after payment of all obligations, shall either be returned to each Member Agency in proportion to the contribution of each Member Agency or transferred to the successor agency as determined by the Board of Directors.

Sec. 10-5. Annual Audit

As part of VTA's annual financial audit, an audit of VTA's congestion management program accounts and records shall be performed by an independent firm of certified public accountants. The minimum requirements of this audit shall be those prescribed by the State Controller for special districts under Section 26909 of the Government Code and the audit shall conform to generally accepted auditing standards. Audit reports shall be made available to the Member Agencies upon request.

Chapter 11

FISCAL MANAGEMENT

No later than May 15, the General Manager shall present a recommended annual or biennial budget for the upcoming fiscal year(s) to the Board of Directors and provide a copy to each city manager in the county and the County Executive. The proposed budget, containing appropriations for both operations and capital, shall be reviewed by the Board's Administration and Finance Committee, and submitted to the Board for adoption before July 1. The adopted budget shall be appropriated at the fund level and controlled at the fund, budget type and budget unit levels.
- (b) Amendment of the budget. Any amendment to the adopted budget which provides for a net increase in authorized appropriations to any fund (including an allocation from reserves) shall require an affirmative vote by at least eight Directors. However, during any fiscal year, the General Manager may authorize a reallocation of appropriations between budget types and budget units within the same fund.
- (c) Employee compensation. The recommended budget shall include a list of all employee position classifications and pay ranges and the funds budgeted for wages, salaries and employee benefits for the coming fiscal year(s).
- (d) Biennial Budgets. Notwithstanding the above provisions for an annual budget, the General Manager may propose and the Board may adopt a biennial (two- year) budget. This biennial budget may be subjected to one general mid-term review by the Board and amended at that time upon the affirmative vote of at least eight Directors. Any other amendments shall follow the procedure outlined in the subsection (b).

Sec. 11-3. Financial Plan in Short Range Transit Plan

An operating and capital financial plan shall be included in VTA's Short Range Transit Plan (SRTP). The SRTP shall be prepared and adopted by the Board in accordance with the requirements established by the Metropolitan Transportation Commission (MTC). The financial plan shall be updated biennially for review and approval by the Board.

Sec. 11-4. Reserved

Sec. 11-5. Establishment of Fares

The rates, rentals, charges, and classifications of transit service shall be established by the Board, in accordance with an approved process.

Sec. 11-6. Periodic Financial Reports

Periodic reports shall be made by the General Manager to the Board showing revenue and expenditure totals year to date in relation to adopted budget categories.

Sect. 11-7. Annual Audit

An independent audit of VTA's finances shall be conducted at the close of each fiscal year by a certified public accountant.
