Engineering and Construction Projects
BART Phase II
Major Projects - BART Phase II

• Revenue service for the 10-mile Phase I extension of BART into San Jose with two stations began on 13 June 2020.

• Phase II is a $6.5B project for a 6-mile, 4 station extension that includes a 5-mile tunnel under downtown San Jose to terminate in Santa Clara near San Jose International Airport

• Construction Complete - 2028
• Revenue Service - 2030
BSVII Contract 1 - Systems

**Project Description:** Design and construct all rail systems elements

**Type of Work:** Design and Construction

**Contract Term:** 2021 - 2029

**Type of Contract:** Design-Build

**Estimated Value:** $500M

**RFQ:** Currently Available

**RFP:** Summer 2021
BSVII Contract 2 - Tunnel and Trackwork

Project Description: Design and construct tunnel and trackwork, mid-tunnel facilities, 28th Street/Little Portugal Station support of excavation and utility relocations as required

Type of Work: Design and Construction

Contract Term: 2022 - 2028

Type of Contract: Progressive Design-Build

Estimated Value: $2B

RFQ: Currently Available

RFP: TBD
BSVII Contract 3 - Newhall Yard and Santa Clara Station

**Project Description:** Design and construct Newhall Yard and Maintenance Facility, line and track, Santa Clara Station, 500 space parking garage and utility relocations as required

**Type of Work:** Design and Construction

**Contract Term:** 2023 - 2028

**Type of Contract:** Design-Build

**Estimated Value:** $500M

**RFP:** Summer 2021
BSVII Contract 4 - Underground Stations and Support Facilities

**Project Description:** Design and construct 3 stations: 28<sup>th</sup> Street/Little Portugal, Downtown San Jose, and Diridon Stations; general scope includes: site, streetscape and utilities improvements, architectural fit-out. Transit-oriented development to be accommodated.

**Type of Work:** Design and Construction

**Contract Term:** 2022 - 2028

**Type of Contract:** Design-Build

**Estimated Value:** $1B

**RFQ:** ~ February 2021

**RFP:** Summer 2021
BSVII Construction Safety Oversight

**Project Description:** Oversee the Health and Safety Program on four (4) Design-Build Construction contracts supporting BART Phase II

**Type of Work:** Occupational Health and Safety Monitoring

**Contract Term:** 2021 - 2030

**Type of Contract:** Consulting - Fixed Price

**Estimated Value:** $9M

**RFP:** Spring 2021
VTA Capital Project Support Services

**Project Description:** Project Management & Staff Augmentation Services

**Type of Work:** Project management, construction management services, engineering and architectural design support, planning support, and general staff support for capital improvement projects.

**Contract Term:** 2022-2028 (7 years)

**Type of Contract:** Two Contracts; Task Order/T&M

**Estimated Value:** $60M (ea. Contract)
Engineering & Program Delivery Division

Highway Projects
Highway Project

US 101/Trimble Road/De La Cruz

- **Project Description:** Widen De La Cruz Boulevard; replace the existing De La Cruz Boulevard Overcrossing; realign the northbound and southbound on-ramps and off-ramp to convert the interchange from a three-quarter cloverleaf to a partial cloverleaf configuration, eliminate the southbound loop off-ramp; and construct a Class I bicycle-pedestrian path along the west side of De La Cruz Boulevard.

- **Type of Work:** Structures work, traffic control, electrical work, roadway embankment, roadside signs, pavement, striping, and landscaping.

- **Contract Term:** Summer ‘21 - Summer ‘24 (includes 1 yr. plant establishment)

- **Type of Contract:** Fixed Price

- **Estimated Value:** $45M - $55M
Highway Project

US 101 – Southbound SR 87 Ramp Widening/US 101 – Story Road Ramp Metering Project

• Project Description: Widen southbound US 101 to SR 87 ramp to two lanes; Widen and install ramp meter on Story Road on-ramp to southbound US 101

• Type of Work: Pavement widening, roadway excavation, electrical work, pavement striping, traffic control, traffic signing.

• Contract Term: Spring ‘21 – Spring ‘22

• Type of Contract: Fixed Price

• Estimated Value: $1M - $5M
Mathilda Ave Improvements (Landscaping)

- **Project Description:** Replacement of planting removed during interchange civil construction, landscaping, irrigation and ground cover. The construction duration also include a three-year Plant Establishment Period (PEP).
- **Type of Work:** Landscaping
- **Contract Term:** Summer ‘21 - Winter ‘24 (6 mos plus 3-year PEP)
- **Type of Contract:** Fixed Price
- **Estimated Value:** $1M - $5M
Highway Project

I-680 Soundwalls

• **Project Description:** This project proposes to construct soundwalls along I-680 between Capitol Expressway and Mueller Avenue.

• **Type of Work:** Traffic control, fencing, concrete foundations, masonry work.

• **Contract Term:** Fall ‘21 - Fall ‘22 (12 mos. estimated)

• **Type of Contract:** Fixed Price

• **Estimated Value:** $1M - $5M
Engineering & Program Delivery Division

Transit Engineering Projects
Light Rail System Rehabilitation

• **Project Description:** Retrofit and rehabilitation of light rail traction power overhead catenary system with focus on Guadalupe Corridor.
• **Type of Work:** OCS electrical and traction power
• **Contract Term:** Advertise late 2021
• **Type of Contract:** Low bid construction
• **Estimated Value:** $20M
Transit Project

Light Rail System Rehabilitation

• **Project Description:** Retrofit and rehabilitation of rail for light rail crossing panels, crossings, broken rail, etc.

• **Type of Work:** Civil, Trackwork, and Signals

• **Contract Term:** Advertise late 2021

• **Type of Contract:** Low bid construction

• **Estimated Value:** $20M
Transit Project

Structure Rehabilitation

Bridge and Structure Repair and Rehabilitation

- **Project Description:** Repair bridge deficiencies for structures used by light rail and heavy rail operation
- **Type of Work:** Civil and Structural
- **Contract Term:** Advertise late 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $500,000
Transit Project

Light Rail Safety Enhancement

Track Intrusion Prevention and Safety Railing

- **Project Description:** Furnish and install fencing and railing along light rail to prevent track intrusion.
- **Type of Work:** Civil, Railing and Fencing
- **Contract Term:** Advertise late 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $7M
Transit Project

Light Rail Safety Enhancement

Pedestrian Swing Gate Repair

- **Project Description:** Repair and upgrade the pedestrian swing gates along the light rail alignment.
- **Type of Work:** Civil and Railing
- **Contract Term:** Advertise late 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $1M
Transit Project

Light Rail Safety Enhancement

Vasona Back Gate Construction

- **Project Description:** Furnish and install pedestrian railroad upgrade gates and swing gates to prevent intrusion when trains are crossing at intersections
- **Type of Work:** Civil, Track and Signaling
- **Contract Term:** Advertise late 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $3M
Transit Project

Passenger Facility Rehabilitation

Light Rail Platform Rehabilitation

• **Project Description:** Repair and rehabilitate finishes and various light rail platforms

• **Type of Work:** Finishes

• **Contract Term:** Advertise late 2021

• **Type of Contract:** Low bid construction

• **Estimated Value:** $500,000
Transit Project

Pavement Rehabilitation

North Yard Paving Rehabilitation

- **Project Description:** Remove and replace failed paving and provide pavement rehabilitation throughout bus parking area
- **Type of Work:** Civil and Paving
- **Contract Term:** Advertise early 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $1.5M
Chaboya Building Modification

- **Project Description:** Retrofit and expand building to allow maintenance of articulated buses
- **Type of Work:** Structural, Electrical, Mechanical, Fire Alarm and Sprinkler, and Finishes
- **Contract Term:** Advertise fall 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $8M
Eastridge to BART Regional Connector

- **Project Description:** 2.4-mile light rail extension with direct fixation double track on aerial guideway. Includes an aerial station with pedestrian overcrossings and at grade station at the end of the line.

- **Type of Work:** Civil, structural, electrical, track, OCS and traction power, signaling and station finishes

- **Contract Term:** Advertisement in mid 2021

- **Type of Contract:** Low bid construction

- **Estimated Value:** $250M to $300M
Guadalupe Train Wash Replacement

- **Project Description:** Replace and upgrade existing train wash and provide improvements to related infrastructure
- **Type of Work:** Civil, electrical, plumbing and mechanical
- **Contract Term:** Advertise late 2021
- **Type of Contract:** Best Value
- **Estimated Value:** $1M
Modular Building Furnish and Installation

- **Project Description:** Furnish and install prefabricated modular building for use as a training site for operations at an existing park and ride lot.
- **Type of Work:** Civil, electrical, plumbing and mechanical
- **Contract Term:** Advertise early 2021
- **Type of Contract:** Best Value
- **Estimated Value:** $700K
Transit Project

Professional Services Procurement

Fiber Line Replacement

• **Project Description**: Light rail signaling engineering for rehabilitation of existing infrastructure
• **Type of Work**: Light rail signaling
• **Contract Term**: Advertise mid 2021
• **Type of Contract**: Cost Plus Fixed Fee
• **Estimated Value**: $250K
Traffic Engineering & Express Lanes
Traffic Engineering & Express Lanes Project

Light Rail Transit Signal Priority (TSP) Detection Upgrades Project – Equipment Installation

TSP Equipment Installation

- **Project Description:** Install VTA furnished TSP equipment at up to 92 signalized intersections along the light rail corridor.
- **Type of Work:** Traffic Signal Equipment Installation
- **Contract Term:** First or Second Quarter of 2021
- **Type of Contract:** Low bid construction
- **Estimated Value:** $70,000 to $90,000
Traffic Engineering & Express Lanes Project

Countywide Local Streets and Roads Safety Plan

Project Description: Develop a safety plan to eliminate/reduce fatal and serious injury collisions in Santa Clara County that meets Caltrans Highway Safety Improvement Program requirements.

- **Type of Work:** Planning Roadway Safety Document
- **Contract Term:** April 2021 to April 2022
- **Type of Contract:** Fixed Price
- **Estimated Value:** $100,000 to $120,000
Questions?
Technology and Facilities
Technology
Santa Clara County-wide Commuter Rewards Program

App and/or Web-bases

• **Project Description**: A vendor to offer VTA a web-based commuter management solutions software/app that will assist VTA launch a County-wide effort to assist commuters choose between alternative modes of transportation including walking, biking, carpooling and others, as opposed to solo driving. Solution must provide the ability to review trip dashboards, enroll and participate in incentive and reward programs, initiate and be included in ride-matching services and use the platform for automated trip tracking. This service must have the capability to enroll individual members of the public as well as individual entities and/or groups of entities. Moreover, the platform must be able to allow entities to manage their own commuter rewards incentives but with VTA as the overall umbrella organization overseeing the county-wide effort.

• **Type of Work**: Software as a Service

• **Contract Term**: Two-Year

• **Type of Contract**: TBD

• **Estimated Value**: $200,000
Microsoft Office Upgrade

• **Project Description**: Microsoft O365 upgrade, Teams, Power Apps, Project, AI and Bots. Create team sites to share information, content and files throughout the agency using SharePoint. Also, host online meetings and video calls.

• **Type of Work**: Technology Software Support

• **Contract Term**: 04/2021 - 04/2023

• **Type of Contract**: Fixed price

• **Estimated Value**: $350,000
Technology Department Projects

Data Protection for Production Enterprise

- **Project Description:** Backup system hardware and software support upgrade. Provide backup and restoration services for critical applications such as Email, contents on TheHub, Trapeze OPS, File and Print services, eInvoices, MyVTA and SAP.

- **Type of Work:** Technology Upgrade

- **Contract Term:** 04/2021 - 04/2022

- **Type of Contract:** Fixed price

- **Estimated Value:** $180,000
Technology Department Projects

Hardware and Software Upgrade for Public Systems

- **Project Description:** Perimeter server hardware and software upgrade. Install new servers, add storage and upgrade software to current supported version and migrate servers to the new environment.

- **Type of Work:** Technology Upgrade

- **Contract Term:** 04/2021 - 06/2022

- **Type of Contract:** Fixed price

- **Estimated Value:** $250,000
Technology Department Projects

Enterprise Systems Monitoring Tool

- **Project Description:** Security monitoring vRealize Operation Manager. vRealize Operations Manager identifies issues in any monitored system component, often before Technology Department staff notice a problem. vRealize Operations Manager also frequently suggests corrective actions the staff can take to fix the problem right away.

- **Type of Work:** Technology Upgrade
- **Contract Term:** 04/2021 - 04/2023
- **Type of Contract:** Fixed price
- **Estimated Value:** $190,000
Single Sign-on for Applications

- **Project Description:** Migration AD FS to Azure. Migration of current Active Directory Federation Services currently on-premise to Microsoft Azure cloud, which provides redundancy and built-in disaster recovery feature.
- **Type of Work:** Technology Upgrade
- **Contract Term:** 03/2021 - 03/2022
- **Type of Contract:** Fixed price
- **Estimated Value:** $50,000
Microsoft Advanced Threat Protection (ATP)

- **Project Description:** MS Windows Defender ATP. Enterprise endpoint security platform designed to help Technology networks prevent, detect, investigate, and respond to advanced threats for Windows PCs, Laptops and remote users.

- **Type of Work:** Technology Upgrade
- **Contract Term:** 03/2021 - 03/2022
- **Type of Contract:** Fixed price
- **Estimated Value:** $100,000
Routine Server Replacement and Enhancement

- **Project Description:** Synergy computer module memory upgrade Expansion of the existing hardware environment with new servers to support on-premise applications and database.
- **Type of Work:** Technology Upgrade
- **Contract Term:** 05/2021 - 05/2023
- **Type of Contract:** Fixed price
- **Estimated Value:** $350,000
Routine Storage Replacement and consolidation

- **Project Description:** Storage replacement Replace legacy storage with newer technology and support of Solid State hard drives to support on-premise critical applications.
- **Type of Work:** Technology Upgrade
- **Contract Term:** 03/2021 - 05/2022
- **Type of Contract:** Fixed price
- **Estimated Value:** $400,000
Server Expansion

• **Project Description:** New compute module. Install new servers and integrate into existing cluster environment to support additional workload.
• **Type of Work:** Technology Upgrade
• **Contract Term:** 03/2021 - 05/2022
• **Type of Contract:** Fixed price
• **Estimated Value:** $150,000
Technology Department Projects

Cyber Security Enhancements

- **Project Description:** VTA Cyber Security FY ‘21 Enhancements.
- **Type of Work:** IT Software/Hardware
- **Contract Term:** 03/2021 - 12/2023
- **Type of Contract:** Fixed price
- **Estimated Value:** $380,000
Upgrade of Network Devices in the Ticket Vending Machine Environment

• Project Description: Upgrade network switches and firewall in the VM for security enhancements.
• Type of Work: Technology Upgrade
• Contract Term: 01/2021 - 01/2022
• Type of Contract: Fixed price
• Estimated Value: $35,000
Upgrade of Server and Database in the TVM Environment

- **Project Description:** Upgrade the TVM environment by adding a failover server and database in case the main server is down.
- **Type of Work:** Technology Upgrade
- **Contract Term:** 02/2021 - 02/2022
- **Type of Contract:** Fixed price
- **Estimated Value:** $140K
Audit of the Payment Card Industry Data Security Standard PCI-DSS

• **Project Description:** Audit to assess the credit card environment to ensure compliance to the PCI-DSS.

• **Type of Work:** Professional Services

• **Contract Term:** 09/2021 - 01/2022

• **Type of Contract:** T&M

• **Estimated Value:** $25,000
Contact Center Technology

Project Description: Next generation contact center- Add/upgrade Chat, IVR, Salesforce, text analytics to enhance customer communication and analytics

- Type of Work: Technology and Professional Service
- Contract Term: 1 year (2021)
- Type of Contract: Fixed Price
- Estimated Value: $350K
Facilities Projects

Emergency Operations Center (EOC) Move

**Project Description:** Capital Project to facilitate move from Guadalupe Yard to River Oaks - B1

- **Type of Work:** Technology and Facilities Maintenance
- **Contract Term:** March 2021 - March 2026
- **Type of Contract:** Fixed Price
- **Estimated Value:** $480K
Facilities Projects

Paint Gun Cleaner

- **Project Description:** This service will clean the paint guns at VTA’s body shops.
- **Contract Term:** March 2021 - January 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $800K

Pressure Washer Maintenance & Repair

- **Project Description:** This service will maintain, repair, or replace all mobile and static pressure washers.
- **Contract Term:** March 2021 - February 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $950K
Facilities Projects

Non-Fuel Dispenser Maintenance & Repair

- **Project Description:** This service will maintain and repair all non-fuel dispensing and material storage equipment.
- **Contract Term:** December 2021 - November 2025
- **Type of Contract:** Fixed Price
- **Estimated Value:** $825K

Waste Services

- **Project Description:** This service will remove all non-hazardous wastes except e-waste.
- **Contract Term:** April 2021 - April 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $2M
Facilities Projects

Pest Management Services
- **Project Description:** This service will provide pest control elimination, removal, or management.
- **Contract Term:** April 2021 - April 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $1.8M

Cardboard Compactor Services
- **Project Description:** This service will provide maintenance & repair to the VTA owned cardboard compactors.
- **Contract Term:** March 2021 - February 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $250,000
Facilities Projects

Plumbing Maintenance & Repair

- **Project Description:** This service will provide plumbing maintenance and repair services for all VTA sites.
- **Contract Term:** August 2021 - July 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $5M

Drain Inlet Upgrade, Maintenance & Repair

- **Project Description:** This service will maintenance and repair services for all Operational Facilities drain inlets. The first year to the contract includes upgrading 129 existing drain inlets.
- **Contract Term:** August 2021 - July 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $1.4M
Facilities Projects

Fire Life Safety Systems

- **Project Description:** Individual solicitation to provide inspection, maintenance & repair to the Fire, Life, Safety Systems on a fixed price basis for the following facilities:

<table>
<thead>
<tr>

</table>

- **Type of Work:** Inspection & Repair
- **Contract Term:** December 2020 - December 2021
- **Type of Contract:** Fixed Price
- **Estimated Value:** $2.35M
Facilities Projects

Replace Ceiling Tiles at River Oaks

- **Project Description:** This service will replace ceiling tiles in the new PCMM area on B-1 and the entire ceiling of C-2.
- **Contract Term:** April 2021 - July 2021
- **Type of Contract:** Fixed Price
- **Estimated Value:** $180K

Bulk Propane Purchase: Cerone

- **Project Description:** Purchase of propane fuel for the Cerone Division. The amount needed will decrease once a new smaller propane tank is installed.
- **Contract Term:** June 2021 - May 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $350,000
Materials & Supplies Procurements

Bulk Propane

- **Project Description:** Bulk Propane
- **Contract Term:** September 2021 - September 2026
- **Estimated Value:** $450K
Facilities Projects: Paving Services

- **Project Description:** Asphalt, concrete, and other paving maintenance and repair services
- **Type of Work:** Asphalt and concrete repair and construction, seal and slurry coats, restriping parking lots and operational facilities.
- **Contract Term:** June 2021 - May 2028
- **Type of Contract:** Fixed Price
- **Estimated Value:** $4,000,000

Capital Projects
Capital Projects

Facilities Projects: SCADA UPS Installation

- **Project Description:** Installing VTA purchased Uninterruptible Power Supply for the SCADA system.
- **Contract Term:** April 2021 - July 2021
- **Type of Contract:** Fixed Price
- **Estimated Value:** $50,000

Guadalupe Yard Hoist Replacement

- **Project Description:** The hoist is attached to the yards 7 ½ ton Crane and is past its useful life. It will need to be upgraded to a unit with a higher capacity rating (C) for moderate service usage.
- **Contract Term:** Single purchase Item August 2021
- **Type of Contract:** Fixed price
- **Estimated Value:** $40,000
Facilities Projects: Guadalupe Parts Carousels

- **Project Description:** Remove/replace (3) parts carousels including electrical work.
- **Contract Term:** October 2021 - January 2022
- **Type of Contract:** Fixed Price
- **Estimated Value:** $675,000
Equipment Procurements

O&R Division Replacement Tug

- **Project Description:** This equipment is used to tow 40- and 60-foot busses. These vehicles are used to tow inoperable busses from one part of the yard to another.
- **Contract Term:** Single Purchase February 2021
- **Type of Contract:** Fixed Price
- **Estimated Value:** $85,000

Chaboya Parts Warehouse Electric Forklift

- **Project Description:** This is a forklift that both raises and extends its arm; must be electric and come with a charging station.
- **Contract Term:** Single purchase item August 2021
- **Type of Contract:** Fixed price
- **Estimated Value:** $40,000
Capital Projects

Almaden Modular Building

- **Project Description:** VTA will purchase a 20’ by 60’ pre-fabricated modular building. It will need a dedicated lobby area, two conference rooms, and one office. This modular building will come equipped with all necessary electrical/lighting needs and air conditioning. This project will be installed by the vendor who is awarded this contract.

- **Type of Work:** Procurement of a modular building that will be used for training purposes.

- **Contract Term:** Single purchase May 2021

- **Type of Contract:** Fixed Price

- **Estimated Value:** $500K

- **Type of Contract**: Fixed Price

- **Estimated Value**: $2,100,000
Planning & Programming
## Project Overview

### Equipment Procurement
- **2 projects**
  - **Type of work**
    - Fabrication of bus shelters
    - Concrete construction
  - **Range**
    - $4M – $7M

### Capital Projects
- **6 projects**
  - **Type of work**
    - Construction
    - Shuttle procurement and vehicle delivery
    - Software and hardware
    - Service operation
  - **Range**
    - $100k to $7M

### Professional Services
- **17 projects**
  - **Type of work**
    - Planning
    - Outreach and community engagement
    - Program management
    - Conceptual engineering
    - Software development
    - Market analysis
  - **Range**
    - $100k to $20M. 12 projects under $1M
Equipment Procurement

Bus Shelter Procurement

- **Project Description:** Fabrication and delivery of bus shelters and shelter benches (assembly and installation not included)
- **Contract Term:** Spring 2021 - 2028
- **Estimated Value:** $7M

2021 Better Bus Stops

- **Project Description:** Construction of concrete bus pads, curb and gutter, sidewalk and assembly and installation of bus shelters. (bus shelter procurement not included).
- **Contract Term:** Spring 2021 - 2022
- **Estimated Value:** $4M
Capital Projects

Downtown San Jose Wayfinding Signage

- **Project Description:** Procure and install 28 back-lit wayfinding signage totems around the downtown San Jose Transit Mall.
- **Type of Work:** Construction
- **Contract Term:** 2021 - 2022
- **Type of Contract:** Fixed Price
- **Estimated Value:** $100K
Capital Projects

Peery Park Rides

• **Project Description:** Implement turnkey demand responsive shuttle service serving Sunnyvale Caltrain and Peery Park Area.

• **Type of Work:** Service operation, vehicle delivery, program marketing, software solution and customer service.

• **Contract Term:** Summer 2021 - Fall 2023

• **Type of Contract:** Fixed Price

• **Estimated Value:** $2M
Capital Projects

Video Analytics on Paratransit Accessible Fleet

- **Project Description:** Providing assistance to special needs passengers by implementing new hardware/software and applications that will help VTA Paratransit customers have a safer and more enjoyable trip. The Scope of Work includes cognitive technologies to advance the Human Machine Interaction (“HMI”) capabilities of the Video Analytics platform.

- **Type of Work:** Software and Hardware
- **Contract Term:** July 2021 - Jun 2023
- **Type of Contract:** Fixed Price
- **Estimated Value:** $2M
Capital Projects

Collision Avoidance Deployment Program

- **Project Description:** Deploying a collision avoidance system for transit buses and a video monitoring system which can recognize and report a typical behavior that will help VTA customers and drivers have a safer and more enjoyable trip. The newer fourth generation system will have improved performance due to improved low light level cameras with higher resolution, and new video processing capability.

- **Type of Work:** Software and Hardware
- **Contract Term:** July 2021 - Jun 2023
- **Type of Contract:** Fixed Price
- **Estimated Value:** $1.8M
Complete Trip Deployment Program

- **Project Description:** Partnered with MTC to provide a “Mobility for All Solution” that is truly multi-modal and can get a disabled, elderly, low income, or standard service passenger the best transportation options at the optimum cost in a reasonable amount of time. Partner with key bay area service providers and the private sector in building this seamless end to end multi modal solution integrated in the region payment system (CLIPPER).

- **Type of Work:** Software and Hardware
- **Contract Term:** July 2021 - Jun 2026
- **Type of Contract:** Fixed Price
- **Estimated Value:** $6.8M
VTA’s Advanced Shuttle Program
Accessible Automated Electric Vehicle (AAeV) Demonstration Project

- **Project Description:** VTA, Western Reserve Transit Authority in Ohio and CALSTART joined forces to be one of 25 projects to receive grant funding from the Federal Transit Administration (FTA). The grant will help VTA deploy automated electric vehicles designed for accessibility to augment First and Last mile and paratransit services.

- **Type of Work:** Paratransit Transportation services, Automated shuttle procurement, Software and Hardware

- **Contract Term:** March 2021 - Dec 2022

- **Type of Contract:** Fixed Price

- **Estimated Value:** $1.3M
Professional Services

Transportation Demand Management (TDM) Assessment Study

• **Project Description:** Evaluate state of TDM practices in the County and recommend the type of TDM program VTA should develop and roles/responsibilities VTA could take on in the TDM realm. Second component of the study will be to develop a countywide TDM program guide for employers and organizations.

• **Type of Work:** Planning Study

• **Contract Term:** Fall 2021 - Spring 2022

• **Type of Contract:** Time and materials

• **Estimated Value:** $450,000
Professional Services

DISC Project Management Services

- **Project Description:** Project management services for the Diridon Integrated Station Concept partnership. Will include a project management services, outreach, and some additional support services.

- **Type of Work:** Program management, outreach, additional support

- **Contract Term:** Spring 2021 - March 2023

- **Type of Contract:** Time and Materials by task order

- **Estimated Value:** $7.5M
DISC Engineering Services

- **Project Description:** Engineering services for Diridon Integrated Station Concept Partnership.
- **Type of Work:** Track engineering
- **Contract Term:** Summer 2021 - March 2023
- **Type of Contract:** Time and Materials by task order
- **Estimated Value:** $20M
Next Generation Transit Vehicles Study Phase II

- **Project Description:** Follow up to existing Next Gen Study. Would include additional work anticipated to be requested from the VTA Board.
- **Type of Work:** Planning, Conceptual Engineering
- **Contract Term:** Summer 2021 - Summer 2022
- **Type of Contract:** Time and Materials by task order
- **Estimated Value:** $500K
Professional Services

Downtown San Jose Transportation Planning Strategy

- **Project Description:** Planning and engineering work to support transportation-related efforts in downtown San Jose including potential bus and light rail changes related to BART, Downtown West, Diridon Station Plan, and the Downtown Transportation Plan.

- **Type of Work:** Planning, Conceptual Engineering

- **Contract Term:** Summer 2021 - Summer 2022

- **Type of Contract:** Time and Materials by task order

- **Estimated Value:** $500K
Professional Services

Planning On-Call List

• **Project Description:** On-Call List for planning related efforts including transit, service, Bike/Ped, Land Use, etc.

• **Type of Work:** Planning, Conceptual Engineering

• **Contract Term:** Summer 2021 - Summer 2024

• **Type of Contract:** Time and Materials by task order

• **Estimated Value:** $3M
VTA Travel Model Development

• **Project Description:** Develop an advanced, robust, defensible, and practical countywide travel model in an open-source environment that meets the current and future business needs of VTA.

• **Type of Work:** Planning & Engineering Software/Analytical Tool Development

• **Contract Term:** Spring, 2021 - Fall, 2023

• **Type of Contract:** Fixed Price

• **Estimated Value:** $500K
On-Call Contract for Travel Forecasting Services

- **Project Description:** On-Call Contract to Support VTA travel forecasting on an as-needed basis
- **Type of Work:** Professional Services
- **Contract Term:** June 2021 - June 2023
- **Type of Contract:** Time and Material by Task order
- **Estimated Value:** $200K
Stevens Creek Corridor Vision Study

- **Project Description:** A coordinated effort between VTA, City of San Jose, County of Santa Clara, City of Santa Clara, and City of Cupertino to work with current and potential transit riders and local communities to develop a collective vision for high-capacity transit on the Stevens Creek/West San Carlos Corridor.

- **Type of Work:** Planning: equity work, community engagement, illustrative conceptual design, implementation plan

- **Contract Term:** July 2021 - July 2022

- **Type of Contract:** Fixed Fee or Time and Materials by Task Order

- **Estimated Value:** $700K
Bus Lane Feasibility Analysis

- **Project Description:** Feasibility analysis of select corridors for potential quick build bus lanes.
- **Type of Work:** Planning: cross sections, fatal flaws
- **Contract Term:** July 2021 - December 2021
- **Type of Contract:** Fixed Fee or Time and Materials by Task Order
- **Estimated Value:** $200K
Community Engagement and Marketing

- **Project Description:** Engage low-income and minority community to identify barriers to Clipper usage, develop solutions to overcome barriers, and implement Clipper marketing effort.
- **Type of Work:** Community engagement/marketing in low-income and minority communities.
- **Contract Term:** Spring 2021 - 2022.
- **Type of Contract:** TBD.
- **Estimated Value:** $150,000 - $250,000.
Adult Bicycle Education

- **Project Description:** Offer bicycle education courses (including on-bike training and bicycle mechanics) to adults in Santa Clara County for two years with option to extend
- **Type of Work:** Training/Community Outreach
- **Contract Term:** March 2021 - March 2023
- **Type of Contract:** Fixed Price
- **Estimated Value:** $110,000

VTA funded pilot adult bicycle education classes in 2018 and seeks a team to continue that successful program.
Homestead Road Safe Routes to School Improvements

- **Project Description:** Environmental clearance and final design of bicycle and pedestrian improvements on Homestead Road between Foothill Expressway and Hollenbeck Avenue, within the jurisdictions of Los Altos, Cupertino, Sunnyvale, and Santa Clara County.
- **Type of Work:** Traffic Engineering and Design, Public Outreach
- **Contract Term:** July 2021 - March 2023
- **Type of Contract:** TBD
- **Estimated Value:** $1,170,000

*School children biking the wrong way on Homestead Road.*
Bascom Corridor Complete Streets Design

- **Project Description:** Environmental clearance and design of complete street treatments on Bascom Avenue from Hamilton Avenue in Campbell, unincorporated County, to I-880 in San Jose.
- **Type of Work:** Traffic Engineering and Design, Public Outreach
- **Contract Term:** Spring 2021 - Summer 2023
- **Type of Contract:** TBD
- **Estimated Value:** $ 4.5M to $5M
Countywide Micro-Mobility Cost-Benefit Analysis

- **Project Description:** Conduct a countywide analysis of the public benefit, cost, risk, and financial viability of expanded bicycle/scooter share in Santa Clara County.
- **Type of Work:** Transportation Planning, Market Analysis
- **Contract Term:** December 2021 - December 2022
- **Type of Contract:** TBD
- **Estimated Value:** $250,000
Project VTA Business Plan

- **Project Description:** Project management services for the VTA Business Plan. Will include project management services, outreach, and some additional support services.
- **Type of Work:** Program management, outreach, additional support
- **Contract Term:** Spring 2021 - Spring 2022

- **Estimated Value:** $1.0M
Vehicle Miles Traveled (VMT) / Multimodal Mitigation Framework

- **Project Description:** Development of a framework for land use development projects to contribute funding to VMT-reducing and multimodal improvements, to offset impacts to VMT, transit delay or ped/bike conditions – potentially including establishment of a pilot.

- **Type of Work:** Transportation planning and project management, and potentially some economics and legal services.

- **Contract Term:** Summer/Fall 2021 - Spring 2023

- **Type of Contract:** TBD

- **Estimated Value:** $330K
Questions?
Supplier Registration and Business Diversity Programs
Supplier Registration
Procurement Portal

VTA has transitioned to a new user-friendly and efficient e-procurement portal hosted by ProcureNow. **New vendors should set up their accounts in the new system.** All previously Registered Vendors have already been invited to activate their accounts.

Please register at [www.vta.org/business-center](http://www.vta.org/business-center) and click on the green bar, **REGISTER IN NEW PORTAL**.

When you click the green bar, a new page will appear, click on the green bar that reads, **+Subscribe**.

The system will ask for your email/password to set up a new account.
Procurement - Solicitations

HOW DO I FIND UPCOMING SOLICITATIONS?

Go to www.vta.org/business-center and find the View Solicitations bar. You will see the same screen as when you clicked on REGISTER. Notice the solicitations on the screen and a green bar that reads OPEN. IF YOU ARE NOT SUBSCRIBED, you will not be able to open the solicitations. But VTA’S new system provides you with another opportunity to SUBSCRIBE at this screen.

View Solicitations
See all open and upcoming contracting opportunities in our new e-procurement portal, except the following:

- C20011
- C19123
- M20027

VTA will archive all solicitations in the legacy portal for transparency.

View legacy Solicitations page.
WHY DO I NEED TO SUBSCRIBE?

• To receive notices about upcoming opportunities -- including those listed in this presentation. If you have subscribed, the notices will come to you automatically. Word of caution – always check the Solicitations page because if co-worker registered your company under their name, you will not receive a notice.

• When you want to submit a bid/proposal, it must be done electronically through the ProcureNow portal before the due date/time.
Business Diversity
As VTA solicits competitive bids and proposals for the projects contained in this presentation, the Office of Business Diversity Programs will establish the appropriate SBE or DBE goals, and track contractor achievements. Firms must be certified at the time of award to receive DBE or SBE credit.

Certified SBE firms that become prime contractors to VTA will automatically be eligible for payment on a Net 15 basis from the day of approved invoice without any discount being taken.

For more information on certification as a Small Business or Disadvantaged Business, please contact OBDP@vta.org.
## Business Diversity Programs
