Subject: From VTA: Temporary bus service on main LR corridors
Importance: High

VTA Board of Directors,

While we continue to work on the Light Rail re-opening, we need to address the service impact caused by the lack of transit alternatives in the main Light Rail Corridors. After careful consideration, we are delaying the planned start of the new 568 Route and directing those resources to providing a limited bus service along the most heavily used part of the light rail route.

VTA will operate a temporary replacement bus service along part of the light rail system. The bus service will operate along First Street in San Jose, from the Paseo de San Antonio Station to Baypointe Station, then over to the Milpitas Transit Center along Tasman Drive. It will serve all the light rail stations along the way.

This service will operate every 30 minutes on weekdays from 5:30 a.m. to 8:30 p.m., and hourly on weekends from 7 a.m. to 7 p.m. No fares will be charged for this temporary bus service, which will continue until light rail has been restored.

If you have any questions or need further information, please contact Jim Lawson.

Subject: From VTA: Help us spread the word!

VTA Board of Directors and Advisory Committee Members:

VTA is accepting applications for the Citizens Advisory Committee (CAC). The CAC advises the VTA Board of Directors on transportation policy issues and initiatives. The Committee also serves as the ballot-defined independent Citizens Watchdog Committee (CWC) for the 2000 Measure A Transit Sales Tax.

Members are appointed to represent stakeholder groups from either of two broad categories:

- Business & Labor
- Community & Societal Interests

The selection process seeks a balance of relevant background, experience, and targeted stakeholder constituencies. Members must be a resident of Santa Clara County during their term; any VTA committee, elected public officials at any level of government, and VTA employees are ineligible to apply.

We kindly request your assistance in our outreach effort! You're welcome to share any of the following links with your constituents, network, or stakeholder groups:

- **VTA Blog** – [Help Shape the Future of Transportation](#)
