

2016 Measure B Citizens' Oversight Committee

Input Received at May 25, 2022 Public Hearing

In November 2016, Santa Clara County voters approved Measure B, a 30-year, half-cent countywide sales tax devoted to enhancing transit, highways, expressways, and active transportation (bicycles, pedestrian, and complete streets) within Santa Clara County. Voters entrusted the 2016 Measure B Citizens' Oversight Committee (MBCOC) with oversight to ensure that Measure B funds are being spent consistent with the ballot language and to inform voters on Program compliance.

On May 25, 2022, the MBCOC held its ballot-required public hearing on 2016 Measure B revenues and expenditures for the period of Fiscal Years (FY) 2021. The purpose of the hearing was to provide opportunity for the community to express to the Committee their views, opinions, and/or concerns on 2016 Measure B Program expenditures, the results of the annual independent compliance audit, and/or 2016 Measure B Program activities and reports.

No public input was provided at this meeting.
