The Honorable Pat Burt, Chairman
Santa Clara Valley Transportation Authority

Dear ^{Pat} Chairman Burt,

Thank you for submitting your project to my office for consideration under the Community Project Funding program.

I regret that I was unable to submit your project this year. I'm only allowed to submit 15 projects to the Appropriations Committee, despite the many worthy applications I received. I worked hard to submit a mix of projects that represent the various communities in our District and help meet a variety of constituent needs.

If you would like additional information about the process, or assistance in seeking federal funding in the future, you can contact my Legislative Director, Eric Henshall, in my Washington, D.C. office at (202) 225-8104.

Most gratefully,

Anna G. Eshoo
Member of Congress
