**Tamien Station Affordable Apartments
Construction Update
July 2023**

Starting on **Monday, July 17**, at 1197 Lick Ave. construction will begin on 135 units of affordable housing adjacent to Tamien Station. The construction process will begin with construction staging on the Tamien Station east side parking lot. We encourage you to visit our website (tamienstationdevelopment.com) to learn more about the project and receive construction updates for both neighbors and transit riders of the Tamien VTA light rail, bus and Caltrain stations.

What: Construction Staging

- Heavy equipment mobilization
- Temporary fencing
- Foundation excavation
- Underground utilities

When: Starting 7/17, Monday – Friday, 7 AM – 5 PM

Where: Tamien Station east side parking lot

Construction Impacts:

- Regular construction noise during the scheduled timeframe, but there will be no pile driving.
- Changes to the Tamien Station east side parking lot, including a reduction in the amount of parking spaces and a relocation of ADA stalls.

Contact Information:

For any construction-related questions, please call Guy Routt at (209) 687-8454.
For any general questions, please call Alper Guder at (847) 770-5893.
