Subject: From VTA: A Statement on the passing of Rod Diridon

At VTA we are deeply saddened by the passing of Rod Diridon Sr., a visionary leader and tireless champion of public transportation.

For more than 50 years, Rod advocated for expanded, equitable transit, helping shape the systems our communities depend on today.

His leadership and passion connected people, strengthened our region, and advanced sustainable mobility.

We are grateful for his lasting contributions and extend our heartfelt condolences to his family, friends, and all who were inspired by his work.

CAPITOL CORRIDOR

Monthly Performance Report

SERVICE PERFORMANCE OVERVIEW

February 2026 Service Performance for the Capitol Corridor

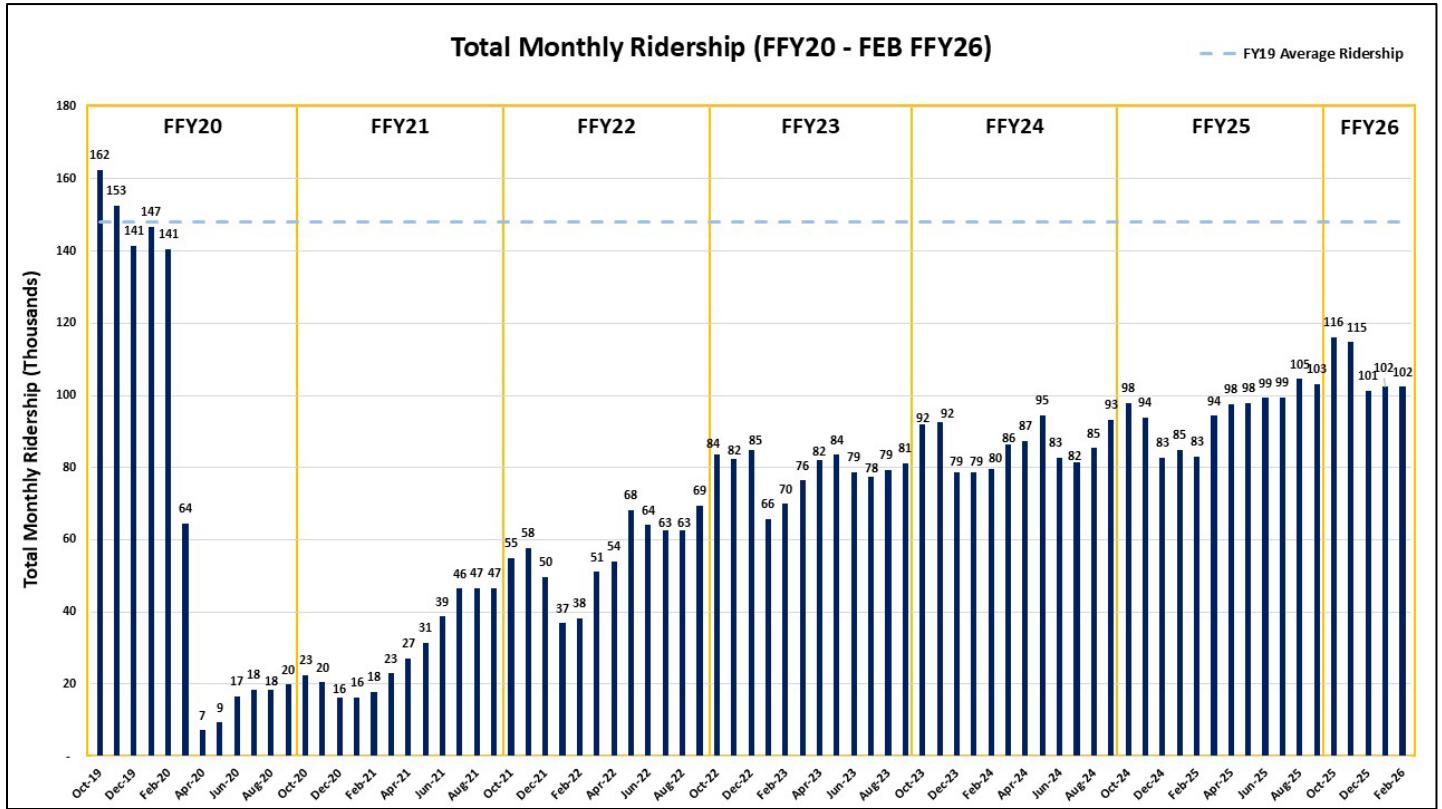

In February 2026, the Capitol Corridor saw a strong increase in both ridership and revenue, signaling ongoing recovery and effective rider engagement. Total ridership reached 102,327, a 23% rise compared to February 2025. Revenue also grew by 26%, reaching \$2.78 million for the month.

Operational performance remained stable overall, with end-point on-time performance (OTP) at 81%, representing a decline from February 2025. Passenger OTP—which captures the on-time experience for most riders across all stations—came in at 84%, also below last year’s level.

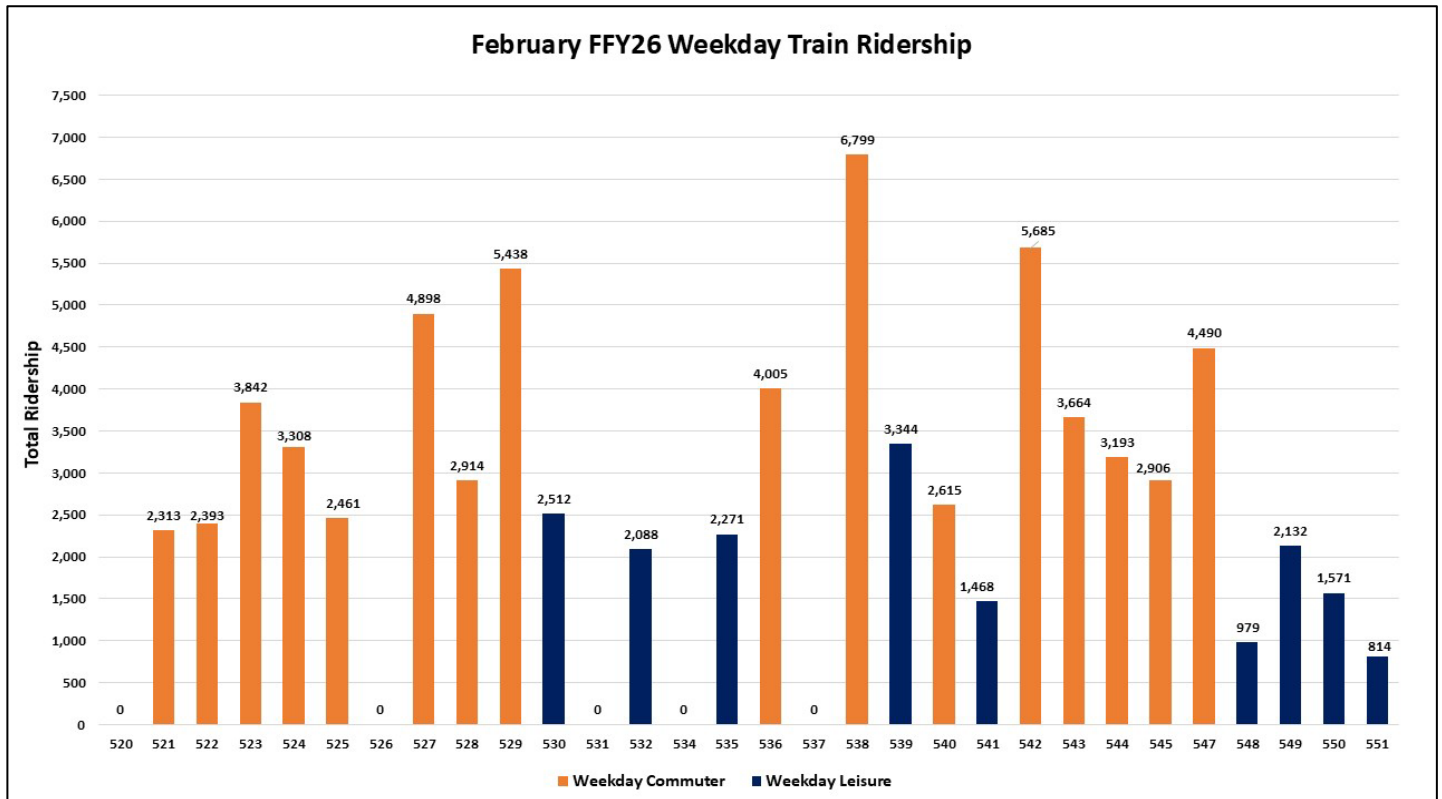

Performance Metric	Feb FY 2026	vs. FY 2025	vs. FY 2019	FY 2026 YTD	vs. FY 2025 YTD	vs. FY 2019 YTD

LEGISLATION AND FUNDING

State Legislation and Funding

Senate Bill 667

This bill would require a railroad corporation to install and operate a network of wayside detector systems on or adjacent to any track used by a freight train, require that each wayside detector system include a hot wheel bearing detector, and prescribe the maximum spacing for individual detection devices along a continuous track. The requirement would require detectors every 10 miles and necessitate reduced freight train speed to 10 miles per hour in cases where the requirement is not met. The bill passed in the State Senate and has been sent to the Assembly.

CCJPA submitted a letter of opposition based on concerns that the proposed speed limits that would be imposed by this bill in areas without wayside detectors are not the appropriate way to address safety. While our services are exempt from the bill's freight speed limit requirements in areas without wayside detectors, the host railroads are not. Slower freight operations could result in passenger trains being held behind freight trains, causing significant delays to passenger rail service. UPRR has an existing system of wayside detectors spaced at 15 miles. This requirement creates risk to the CCJPA service without a clearly defined need for this additional safety requirement. The California Transit Association has adopted an oppose position on the legislation.

SB 1135 Intercity and Commuter Rail: Special Events Service Plans

Senate Bill 1136 would require an interagency transfer agreement that requires a joint powers board to ensure that supplemental service is provided for major, publicly attended events, as specified. The bill would require the business plan to include a special events service plan that includes detailed operating schedules, fare information, and rolling stock requirements designed to satisfy the requirement to provide that supplemental service. To the extent the Bill would add to the duties of a joint powers board, the bill would impose a state-mandated local program. For commuter rail agencies, as a condition of receiving funding under the State Rail Assistance Program, a public agency responsible for commuter rail services that has a transfer connection station between 2 or more commuter rail services to adopt a special events service plan for each event that meets specified requirements. The bill would require the special events service plan to include schedules to access the event without requiring a transfer, ticket interoperability, and all other technical, equipment, and infrastructure requirements. Capitol Corridor staff has met with staff from the bill's sponsor to express concerns over the challenges with timing for special events, limited equipment to meet the requirement, the potential to move resources away from core travel markets, and the potential negative impacts on operating budgets.

Federal Legislation and Funding

Notice of Funding Opportunity

As we approach the mid-term elections, we are expecting a strong push from FRA and USDOT to issue NOFOs for several of the key rail programs, Consolidated Rail Infrastructure and Safety Improvements (CRISI), and the Railroad Crossing Elimination (RCE) Program. The expectation is that the NOFOs will be released imminently and include two years of funding (FY25 and FY 26), with a short turnaround for submission, with the goal to make decisions in the late summer or early fall. This NOFO will represent the last funding for these programs provided through advance appropriations under the IIJA. Future funding will rely only on the annual appropriations process.

Union Pacific and Norfolk Southern Merger

In November, shareholders of Union Pacific and Norfolk Southern voted to support a proposed \$85 billion merger that would create the first U.S. railroad to run coast to coast. The companies submitted applications to the STB in December 2025. On January 16, the STB, in a 3-0 decision, rejected the application as incomplete. The railroads have indicated they will submit another application, with the new application expected in April.

Support for the merger is mixed. President Trump has signaled his support for the merger. On February 4, a group of 44 Republican members of Congress submitted a letter to the STB “to encourage the Surface Transportation Board to conduct a rigorous and comprehensive review of the proposed merger between Union Pacific Railroad (UP) and Norfolk Southern Railway (NS) to ensure it enhances competition and is clearly in the public interest.” UP CEO Jim Vena remained optimistic amidst the recent setback and still expects the transaction to close in early 2027, assuming the board approves the \$85 billion deal.

Surface Transportation Board (STB), Passenger Rail Advisory Committee (PRAC) Meeting

The Passenger Rail Advisory Committee (PRAC) Meeting will hold its first meeting of the year on April 24th. Detailed meeting information, including meeting materials, is available online at <https://www.stb.gov/resources/stakeholder-committees/prac/>. CCJPA Managing Director Rob Padgett serves on the 22-member PRAC as a Member at Large and participated in the meeting. He is serving as the Chair of the Subcommittee on Joint Intercity and Freight Rail Operations. The STB Chair has indicated that the committee will meet the required two times in calendar year 2026, with the second meeting scheduled in September.

FY 2025-26 Federal Appropriations and Budget Updates

This year’s federal funding was passed by Congress and signed into law on February 3rd after several continuing resolutions and temporary shutdowns. The final funding levels for FY26 are shown in the table below. Notably, the final bill includes a \$1M earmark requested by Rep Mike Thompson to support improved access to the Davis Station platform.

Transportation Reauthorization

Congressional staff is negotiating behind the scenes on transportation reauthorization program authorities and funding levels to replace the Infrastructure Investment and Jobs Act (IIJA) authorizations set to expire in September 2026. Congress will be challenged to deliver a new bill given the reality of limited legislative days through September. Notably, the Chair of the House Transportation and Infrastructure Committee, Rep. Sam Graves has announced he is retiring from Congress at the end of his term.

The expectation is that the House Transportation and Infrastructure Committee will begin to markup legislation in the next few months. Leadership of the Senate Environment & Public Works Committee, which has jurisdiction over the highway title, has stated that they still intend to proceed with a markup of their proposal before the end of the year. The Commerce Committee has not made any progress on the Rail Title.

PROGRAM UPDATES

Annual Business Plan Public Workshops

From February 10-12, 2026, Capitol Corridor held five (5) public workshops onboard (and one virtually) to review our draft Business Plan with riders, along with Cappy Hour on board all trains in service between 3pm and 7pm. Riders were eager to share their experiences and provide feedback on our service.

Capitol Corridor – American Advertising Federation Sacramento ADDY® Awards

We're proud to share that Capitol Corridor was recognized at [@aafnational](#) (American Advertising Federation) Sacramento ADDY® Awards, bringing home 3 Gold ADDYs and 1 Silver ADDY for our "Only By Train" campaign!

AAF is the advertising industry's largest competition, attracting more than 25,000 entries every year. The competition is structured in three tiers - local, district, and national. After earning 3 Gold ADDYs at the local level, we're excited to advance and compete at the district level and beyond.

Thank you to our advertising agency, [@workbyhoney](#), along with their partners [@kj2productions](#) and [@3foldcomm](#), for their creativity, dedication, and passion in bringing this campaign to life. We're truly grateful to work alongside such a creative and driven team.

OUTLOOK - CLOSING

Our ridership surge continued into February with a second month of unprecedented increase over the same month last year. While we have had challenges with locomotive availability in recent months, we are in the process of adding three locomotives to our fleet through a lease from Caltrain. We appreciate all of your patience as we work through equipment issues. Look for important changes in our Tap2Ride program in the coming months as we continue to take steps to make riding our service easier. As always, we appreciate your support for our service and look forward to seeing you on the train!

NOTICE OF JUNE 3, 2026 LAFCO PUBLIC HEARING**

At its public hearing on April 1, 2026, the Local Agency Formation Commission of Santa Clara County (LAFCO) adopted a Proposed Budget for Fiscal Year 2027, as recommended in the attached staff report. The attached report reviews the status of LAFCO's current year work plan and budget; and sets forth the proposed work plan and budget for Fiscal Year 2027.

LAFCO is scheduled to consider adoption of its Final FY 2027 Budget and Workplan at a public hearing on Wednesday, June 3, 2026 at 1:15 PM in the Board of Supervisors Chambers, County Government Center. The County Auditor will apportion LAFCO costs and invoice the cities, independent special districts and the County based on the Final Budget adopted by LAFCO.

The meeting agenda, staff reports and related meeting material will be available on the LAFCO website by May 29, 2026. All interested persons may attend the meeting as provided for on the agenda. Written public comments may be submitted by email to **LAFCO@ceo.sccgov.org** prior to the date of the hearing.

SUBJECT: PROPOSED WORK PLAN AND BUDGET FOR FY 2027

FINANCE COMMITTEE / STAFF RECOMMENDATIONS

1. Adopt the Proposed Work Plan for Fiscal Year 2026-2027.
2. Adopt the Proposed Budget for Fiscal Year 2026-2027.
3. Find that the Proposed Budget for Fiscal Year 2027 is expected to be adequate to allow the Commission to fulfill its statutory responsibilities.
4. Authorize staff to transmit the Proposed Budget adopted by the Commission including the estimated agency costs as well as the LAFCO public hearing notice for the adoption of the Fiscal Year 2027 Final Budget to the cities, the special districts, the County, the Cities Association of Santa Clara County and the Santa Clara County Special Districts Association.

ANNUAL BUDGET PROCESS REQUIREMENTS

The Cortese Knox Hertzberg Local Government Reorganization Act of 2000 (CKH Act) which became effective on January 1, 2001, requires LAFCO, as an independent agency, to annually adopt a proposed budget by May 1 and a final budget by June 15 at noticed public hearings. Both the proposed and the final budgets are required to be transmitted to the cities, the special districts and the County. Government Code §56381(a) establishes that at a minimum, the budget must be equal to that of the previous year unless the Commission finds that reduced staffing or program costs will nevertheless allow it to fulfill its statutory responsibilities. Any unspent funds at the end of the year may be rolled over into the next fiscal year budget. After adoption of the final budget by LAFCO, the County Auditor is required to apportion the net operating expenses of the Commission to the agencies represented on LAFCO.

LAFCO FINANCE COMMITTEE

At its February 4, 2026 LAFCO meeting, the Commission appointed Alternate Commissioner Chapman, Alternate Commissioner Hilton and Alternate Commissioner O’Neill to serve on the Finance Committee.

At its special meeting held on March 5, 2026, the Finance Committee discussed the progress on the current year work plan and the status of the current year budget; and recommended the proposed FY 2027 work plan and budget for consideration and adoption by the full commission.

CURRENT YEAR IN REVIEW

PROGRESS REPORT ON FY 2025-2026 WORK PLAN

LAFCO’s current fiscal year workplan was adopted at a noticed public hearing held on June 4, 2025. **Attachment A** depicts the current status (through the third quarter of the year) of the 2025-2026 Work Program. The first part of the fiscal year was dedicated to completing Phase 2 of the comprehensive review and update of LAFCO policies including service review policies, indemnification policy, incorporation policies, LAFCO bylaws, and policies and procedures related to operational and administrative functions. These updated policies have been assembled into a Policies and Procedures Manual that is now posted on the LAFCO website.

LAFCO is beginning the Countywide water and wastewater service review – to review, evaluate and recommend improvements to water and wastewater service delivery in the county. A Technical Advisory Committee composed of representatives from affected agencies has been formed, a consultant firm has been retained through a RFP process, and a dedicated project webpage has been created in preparation for launching the study.

Concurrently, LAFCO will initiate a service review of the Santa Clara County Mosquito and Vector Control District in June 2026.

In April, staff is organizing a strategic planning workshop session for the Commission to consider the development of environmental justice policies.

LAFCO anticipates receiving a special district annexation and sphere of influence amendment application. Staff has conducted pre-application meetings and responded to numerous requests for assistance from local and regional agencies on matters such as city service extensions, city annexations and urban service area amendments, special district annexations, and builders remedy projects. Additionally, responding to public inquiries, including public records act requests, remains a significant and growing area of focus, with staff noting an increase in both volume and complexity.

In alignment with the Commission’s directive, staff continues to engage in targeted outreach to local entities—including special districts, the County, cities, and community organizations—through informational presentations on LAFCO’s role in promoting sustainable growth and good governance. These efforts are undertaken as opportunities arise and as time permits.

There have been no changes in Commission membership during this fiscal year. The LAFCO office is fully staffed, with 4.0 FTE positions. Additionally, the implementation of a training and professional development work plan for LAFCO staff is underway, ensuring continued growth, skill enhancement, and alignment with best practices in local government and land use planning.

Several key administrative activities and projects have been completed, including the development of a new LAFCO database to efficiently track public inquiries and manage the contacts directory; and completion of LAFCO website upgrade. The development of a new database to track application processing activity is currently underway.

Projects that will not be completed by the end of the fiscal year will be incorporated into the proposed FY 2027 work plan to ensure their continued progress and completion in alignment with LAFCO’s strategic objectives.

The LAFCO Annual Report for FY 2026 will be published at the close of the fiscal year. This report will document all applications reviewed and processed during the year and will highlight LAFCO’s accomplishments, activities, and key projects undertaken or completed throughout the period.

STATUS OF FY 2025-2026 ADOPTED BUDGET

Attachment D includes the FY 2026 budget adopted by the Commission at a noticed public hearing on June 4, 2025, the status of LAFCO's expenditures and revenues as of February 18, 2026, and expenditure and revenue projections for end of FY 2026. The adopted LAFCO budget/operating expenses for FY 2026 is \$1,365,669. It is estimated that the total year-end projected expenditures for FY 2026 would be approximately 5% higher than the adopted budget primarily due to staff salary and benefit costs being higher than the estimates provided at the time of budget adoption. However, due to slightly higher than anticipated revenue amounts and a larger than estimated fund balance from the previous year (\$176,483 vs. \$63,997), LAFCO's year-end operating expense is estimated to remain approximately 5% lower than that in the adopted FY 2026 budget. LAFCO has received the respective FY 2026 funds from the County, the cities and the independent special districts based on the adopted budget. Therefore, the unspent funds will carry over into FY 2027 and will be used to reduce net operating expenses that would in turn translate to reduced FY 2027 costs for contributing agencies.

PROPOSED WORK PLAN FOR FISCAL YEAR 2027

Attachment C includes the proposed work plan for FY 2027, as recommended by the Finance Committee, for consideration and adoption by the full commission.

The proposed workplan includes ongoing as well as new projects and outlines detailed projects/activities organized under six broad areas: (1.) LAFCO application processing; (2.) island annexations; (3.) outreach, government/community relations and customer service; (4.) service reviews, special studies and sphere of influence updates; (5.) commission support; and (6.) administrative projects. The work plan assigns priority levels (high, moderate, low); and designates whether the work is to be conducted by staff or outside consultants.

The proposed work plan includes a broad spectrum of responsibilities that LAFCO, as an independent local agency and as a regulatory body of the state, is expected to fulfill in its role of promoting sustainable growth and good governance in Santa Clara County. It incorporates the Commission's legislative functions and mandates and also the Commission's proactive local initiatives and priorities such as its directives for ongoing public outreach and education and its proactive service review and implementation program.

Staff actively manages the workload in order to focus on accomplishing essential activities such as processing applications, completing projects currently underway, maintaining core administrative functions, tracking on-going projects and studies, supporting the commission and responding to local agency and public requests for assistance and information. Consistent with past practice, LAFCO's statutorily mandated activities take priority over administrative projects that are not statutorily required, and over proactive commission-initiated projects which are discretionary but support LAFCO's mission and statutory requirements.

PROPOSED BUDGET FOR FISCAL YEAR 2027

Attachment D includes the proposed budget for FY 2026-2027 as recommended by the Finance Committee, for consideration and adoption by the full commission. The Finance Committee conducted a thorough review of the work plan and budget and recognized the public benefit of LAFCO's work and the high demand for LAFCO's services from local agencies and the public. The Committee maintained its commitment to ensure adequate resources that allow the Commission to fulfill its statutory responsibilities and accomplish its work plan while also limiting costs for LAFCO's funding agencies.

The overall projected expenditure for FY 2027 (\$1,640,951) in the proposed budget is 12% higher than the current year budgeted expenses (\$1,464,666). This increase in expenditures is largely due to both an increase in the cost of staff salaries and benefits and a larger budgeted amount for consultant services. Correspondingly, LAFCO's proposed net operating expense for FY 2027 is approximately 13% higher than the FY 2026 budgeted net operating expense.

DESCRIPTION OF FY 2026-2027 BUDGET LINE ITEMS

LAFCO and the County of Santa Clara entered into a Memorandum of Understanding (MOU) (effective since July 2001), under the terms of which, the County provides staffing, facilities, and services to LAFCO. The associated costs are reflected in the proposed LAFCO budget. LAFCO is a stand-alone, separate fund within the County's accounting and budget system and the LAFCO budget information is formatted using the County's account descriptions/codes.

The following is a detailed itemization of the proposed budget.

EXPENDITURES

Expenditures are divided into two main sections: Staff Salaries and Benefits (Object 1) which comprise approximately 66% of the total expenditures; and Services and Supplies (Object 2).

OBJECT 1. SALARIES AND BENEFITS \$1,088,248

This line item supports the salaries and benefits for the 4.0 FTE positions including the Executive Officer position, a Senior Analyst position, an Analyst position, and a Clerk position. All four positions are currently staffed. LAFCO contracts with the County of Santa Clara for staffing and services and in accordance with the MOU between the County and LAFCO, all four positions are staffed through the County Executive's Office. The proposed amount is based on the best available projections from the County at this time for salaries and benefits for the 4 positions. Any changes to the projections for the four positions that may occur within the next couple of months will be reflected in the Final LAFCO budget.

OBJECT 2. SERVICES AND SUPPLIES

5255100 Intra-County Professional \$12,000

This includes the costs for services from various County agencies such as the County Surveyor's Office, the County Assessors' Office, and the Registrar of Voters. The County Surveyor assists with map review and approval for boundary change proposals as well as with research to resolve boundary discrepancies. The County Assessor's Office prepares reports for LAFCO and the Registrar of Voters provides data necessary for processing LAFCO applications. This item also allows LAFCO to seek GIS mapping services including support and technical assistance from the County Planning Office, as necessary. This item also includes the approximate annual cost (\$5,622) associated with webcasting the regular LAFCO meetings held in the County Board of Supervisors Chambers. In February 2021, LAFCO and the County entered into an MOU regarding webcasting services and associated costs for LAFCO meetings. As a result of the pandemic and virtual meetings, webcasting of LAFCO meetings did not begin until April 2023.

5255800 Legal Counsel \$90,716

This item covers the cost for general legal services.

In February 2009, the Commission retained the firm of Best Best & Krieger for legal services on a monthly retainer. The contract was amended in 2010 to reduce the number of total hours required to 240 hours per year. The contract sets the hourly rate and allows for an annual automatic adjustment to the rates based on the Consumer Price Index (CPI). In 2017, the contract was once again amended to increase the monthly retainer cost and limit the CEQA work within the retainer to 24 hours annually. Any additional CEQA work above 24 hours would be charged outside the retainer at the same hourly rate.

The monthly retainer for FY 2027 increases to \$7,223, based on a 2.2% increase in the Consumer Price Index for the prior calendar year (2025). This item covers the

annual retainer fees and includes additional monies to cover approximately 10 hours of work outside the retainer at the hourly rate of \$404.

5255500 Consultant Services \$250,000

This item is budgeted for hiring consultants to assist LAFCO with special projects such as for conducting service reviews and special studies, and scanning LAFCO's hardcopy records into the existing electronic document management system, among other projects. The Commission must take action to authorize such special projects prior to expending funds. This item also includes costs associated with ongoing consultant contracts for projects such as the countywide water and wastewater service review, the maintenance and hosting of the LAFCO website by an outside provider; the annual financial audits of LAFCO, and the development and ongoing licensing and support for the new LAFCO database. The FY 2027 budget for this item reflects an increase of \$75,000 from the previous year, to accommodate two comprehensive service reviews planned for the fiscal year – the ongoing Countywide Water and Wastewater Service Review and the upcoming service review for the Santa Clara County Mosquito and Vector Control District.

5285700 Meal Claims \$1,000

This item includes cost of food to support Commission events, workshops, meetings.

5220200 Insurance \$8,000

This item is for the purpose of purchasing general liability insurance and workers' compensation coverage for LAFCO. In 2010, LAFCO switched from the County's coverage to the Special District Risk Management Authority (SDRMA), for the provision of general liability insurance. Additionally, LAFCO also obtains workers' compensation coverage for its commissioners from SDRMA. Workers' compensation for LAFCO staff is currently covered by the County and is part of the payroll charge.

The estimates for FY 2027 were not available from SDRMA as of writing this report. The Final budget will reflect any major revisions to these estimates.

5270100 Rent & Lease \$59,556

This item includes FY 2027 monthly rent for LAFCO office space located at 777 North First Street, Suite 420, San Jose. The original lease term for the office space expired on May 5, 2022. At its February 2, 2022 meeting, the Commission authorized the extension of the lease for a five-year period through April 30, 2027. Staff has contacted the building management and has obtained terms for a potential 5-year lease extension. Staff is also working with the County to explore availability of suitable space in a county-owned facility that can meet LAFCO's long-term office space needs as an independent agency.

5250100 Office Expenses \$5,000

This item includes funds for purchase of books, subscriptions/publications necessary to keep current on laws and trends; and small equipment and supplies for office operations, including printer/photocopier lease.

5255650 Data Processing Services \$23,948

This item includes estimated costs associated with County Technology Solutions & Services Department (TSS) providing IT services to the LAFCO program. According to TSS, the projected costs cover Telecom services for 5 phones- VOIP/Landline (\$1,980), Wireless Carrier Service (\$1,045), enterprise licensing including MS Adobe special order, Acrobat Pro and MS Visio monthly subscription (\$4,748), and other services (\$16,175) comprising Enterprise Content Management services and solutions, Kronos support, Architecture and Innovation Services, Claranet services, Data Analytics and Visualizations, digital print and sccLearn. Any further revised cost estimates received from the County will be reflected in the Final LAFCO budget.

5225500 Commissioner's Fees \$10,000

This item covers the \$100 per diem amount for LAFCO commissioners and alternate commissioners to attend LAFCO meetings and committee meetings.

5260100 Publications and Legal Notices \$1,000

This item is for costs associated with publication of hearing notices for LAFCO applications and other projects/ studies, as required by state law. This budgeted amount has been maintained at the same level as the current year.

5245100 Membership Dues \$15,300

This item includes CALAFCO – the California Association of LAFCOs membership dues. At its meeting in December 2023, the CALAFCO Board voted to approve a 3% rate adjustment to account for the CPI increase (June 2024 to June 2025), in accordance with the CALAFCO Bylaws. The FY 2026 membership dues for Santa Clara LAFCO is \$13,309.

Additionally, this item includes estimated membership dues for CSDA – the California Special Districts Association. In June 2018, CSDA informed that Santa Clara LAFCO as a customer of SDRMA, must be a member of CSDA pursuant to SDRMA bylaws.

5250750 Printing and Reproduction \$1,500

This covers printing expenses for reports such as service reviews or other studies and documents.

5285800 Business Travel \$21,000

This item includes funding for staff and commissioners to attend conferences and workshops. It would cover costs of air travel, accommodation, conference registration and other expenses at the conferences. CALAFCO annually holds a Staff Workshop (Location TBD, April 2027) and an Annual Conference (Sacramento, October 2026) that is attended by commissioners as well as staff. Additionally, this item includes funding for travel costs associated with Commissioner Kamei serving on the CALAFCO Board.

5285300 Private Automobile Mileage \$1,000

This item provides for mileage reimbursement when staff travels by private car to conduct site visits and attend meetings / training sessions. This budgeted amount has been maintained at the same level as the current year.

5285200 Transportation and Travel (for use of County car) \$600

This item would cover costs associated with the use of a County vehicle for travel to conferences, workshops, site visits and meetings.

5281600 Overhead \$42,139

This overhead charge is established by the County Controller's Office, for service rendered by various County departments that do not directly bill LAFCO. The overhead includes LAFCO's share of the County's FY 2027 Cost Allocation Plan which is based on actual overhead costs from FY 2025 – the most recent year for which actual costs are available. The overhead amount includes the following charges from:

County Executive's Office:	\$6,149
Controller-Treasurer:	\$12,679
Employee Services Agency:	\$10,771
OBA:	\$426
TSS Intragovernmental Service:	\$1,379
Technology Services & Solutions:	\$1,372
Procurement:	\$39
Equal Opp. (County Counsel):	\$1,382
CoB – Harvey Rose Mgt Audit:	\$18
Facilities and Fleet:	\$297

Further, a "roll forward" is applied which is calculated by comparing FY 2025 Cost Plan estimates with FY 2025 actuals. The FY 2025 cost estimates were lower than the actuals by \$7,572; this amount is added to the FY 2027 Cost Plan. This is a state requirement.

5275200 Computer Hardware \$4,000

This item is designated for any required hardware upgrades / purchases.

5250800 Computer Software \$4,000

This amount is designated for computer software purchases, including annual licenses for GIS software (ArcGIS) and records management software (Laserfiche) with 2 hours of online/onsite support.

5250250 Postage \$500

This amount covers postage costs for mailing notices, agendas, agenda packets and general correspondence.

5252100 Training Programs \$2,000

This item covers the costs associated with attendance at commissioner / staff professional development courses and seminars. CALAFCO conducts University Courses throughout the year on topics of relevance to LAFCO.

REVENUES

4103400 Application Fees \$25,000

It is anticipated that LAFCO will receive approximately \$25,000 in fees from processing applications. The actual amount earned from fees corresponds to the level of application activity.

4301100 Interest \$10,000

It is estimated that LAFCO will receive an amount of approximately \$10,000 from interest earned on LAFCO funds.

3400150 Fund Balance from Previous Fiscal Year (i.e., FY 2026) \$57,251

It is projected that there will be a savings or fund balance of approximately \$57,251 at the end of the current year, which will be carried over to reduce the proposed Fiscal Year 2027 costs for LAFCO's funding agencies (cities, independent special districts and the County).

Projected Year-End [FY 2026] Fund Balance = (Projected Year-End [FY 26] Revenue + Actual Fund Balance from Previous Fiscal Year [FY 25] + Funds Received from Local Agencies in FY 26) - (Projected Year-End [FY 26] Expenses)

$$= (\$50,000 + \$176,483 + \$1,365,669) - \$1,534,901$$
$$= \$57,251$$

The fund balance excludes the reserves.

RESERVES

3400800 Reserves Available \$200,000

This item includes reserves for two purposes: litigation reserve – for use if LAFCO is involved with any litigation; and contingency reserve – to be used for unexpected expenses. If used during the year, this account will be replenished in the following year. Since 2012, the reserves have been retained in a separate Reserves account, thus eliminating the need for LAFCO to budget each year for this purpose.

The Reserves amount was held at \$250,000 since FY 2020 to timely implement potential recommendations from the Comprehensive Organizational Assessment, and as a tentative measure in recognition that LAFCO operates in an increasingly complex and controversial environment.

In FY 2022, LAFCO reduced the Reserves from \$250,000 to \$200,000, in order to further reduce costs to local agencies given the COVID -19 related economic hardships; and has maintained the reserve level at \$200,000 since then. The Finance Committee recommends maintaining the current level of reserves for FY 2027. This places the proposed Reserve amount at approximately 12% of the total FY 2027

expenditures. LAFCO has not adopted a Reserves policy, however as an independent agency, LAFCO should maintain sufficient reserves for flexibility and stability in the event of unanticipated needs.

FY 2027 NET OPERATING EXPENSES

FY 2027 Net Operating Expenses = (Proposed FY 2027 Expenditures) - (Proposed FY 2027 Fee & Interest Revenues + Projected Fund Balance from FY 2026)

= (\$1,640,951) - (\$35,000 + \$57,251)

= \$1,548,700

The projected operating expense for FY 2027 is based on projected expenditures and revenues as well as on estimated fund balance for the current year. Further revisions may be needed as we get a better indication of current year expenses/revenues towards the end of this fiscal year. Additionally, a more accurate projection of costs/revenues for the upcoming fiscal year could become available, particularly for employee salary and benefits. This could result in changes to the proposed net operating expenses for FY 2027 which will be reflected in the Final budget and which could in turn impact the costs for each of LAFCO's funding agencies.

COST APPORTIONMENT TO CITIES, INDEPENDENT SPECIAL DISTRICTS AND COUNTY

In January 2013, independent special districts were seated on LAFCO. Government Code §56381(b)(1)(A) provides that when independent special districts are represented on LAFCO, the county, cities and independent special districts must each provide a one-third share of LAFCO's operational budget.

The City of San Jose has permanent membership on LAFCO pursuant to Government Code Section 56327. As required by Government Code §56381.6(b), the City of San Jose's share of LAFCO costs must be in the same proportion as its member bears to the total membership on the commission, excluding the public member. The remaining cities' share must be apportioned in proportion to each city's total revenues, as reported in the most recent edition of the Cities Annual Report published by the Controller, as a percentage of the combined city revenues within a county.

Government Code Section §56381 provides that the independent special districts' share shall be apportioned in proportion to each district's total revenues as a percentage of the combined total district revenues within a county. The Santa Clara County Special Districts Association (SDA), at its August 13, 2012 meeting, adopted an alternative formula for distributing the independent special districts' share to individual districts. The SDA's agreement requires each district's cost to be based on a fixed percentage of the total independent special districts' share.

Therefore, in Santa Clara County, the County pays a third of LAFCO's operational costs, the independent special districts pay a third, the City of San Jose pays one

sixth and the remaining cities pay one sixth. Government Code §56381(c) requires the County Auditor to request payment from the cities, independent special districts and the County no later than July 1 of each year for the amount each agency owes based on the net operating expenses of the Commission and the actual administrative costs incurred by the Auditor in apportioning costs and requesting payment.

The following is a draft apportionment to the agencies based on the proposed net operating expenses for FY 2027.

Apportionment of the costs among the 14 cities and among the 17 independent special districts will be calculated by the County Controller’s Office after LAFCO adopts the final budget in June. In order to provide each of the cities and districts with a general indication of their costs in advance, **Attachment E** includes draft estimated apportionments, based on the proposed FY 2027 net operating expenses and the FY 2023-2024 Cities Annual Report from the State Controller’s Office. The final apportionments will be prepared by the County Controller’s Office based on the latest available Cities Annual Report.

This memo is regarding a Trespasser incident in the city of Crockett, CA that occurred on Wednesday afternoon, April 8, 2026.

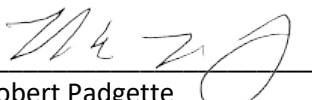

Incident Summary:

At around 12:05pm, train 537 struck and fatally injured a trespasser approximately 6 miles West of Martinez Station in the City of Crockett. Local police and fire responded to the scene along with Amtrak Police and division management. There were no initial reports of injuries to 48 passengers or crew, and no reports of damage to equipment. The adjacent track was reopened to traffic at around 1:45pm, and the entire scene at 3:45pm. The incident train 537 was terminated at the scene, and its passengers were transferred to 539, incurring about a two-hour delay total. Once released, it returned to Martinez, where it originated as train 536. Passengers intending to take 536 between Oakland and Martinez were accommodated on train 538. The other Capitol Corridor delays are summarized below.

Associated CCJPA Train Delays:

- 530 – 1 Hour 32 Minutes
- 532 – 50 Minutes
- 536 – Originated at Martinez
- 537 – Terminated at Martinez
- 539 – 1 Hour 7 Minutes
- 541 – 41 Minutes
- 543 – 1 Hour 31 Minutes
- 550 – 48 Minutes
