MEMORANDUM

TO: VTA Employees

FROM: Carolyn M. Gonot, General Manager/CEO 

DATE: September 3, 2026

SUBJECT: Celebrating the People Behind Our Service

As we mark Labor Day, I want to take a moment to recognize and celebrate you, the people who make VTA the agency we are today.

Labor Day is a time to honor the contributions of working people, and there is perhaps no better way to understand the meaning of that commitment than by looking at the work you do every day. You keep our communities moving. You connect people to jobs, schools, families, friends, and opportunities. And you do it with professionalism, dedication, and pride.

The outpouring of customer compliments we receive truly tells the story of the impact you have. Day after day, our customers tell us how your kindness, professionalism, and commitment make a difference in their lives.

For many, Labor Day will be a holiday. But for many of our VTA colleagues, it will be another day of service. While our buses and trains roll throughout our communities, operators, maintenance teams, transit supervisors, dispatchers, security personnel, and so many others will be there to make that service possible.

That commitment does not go unnoticed. And I appreciate you for being there for our customers.

To everyone across VTA: thank you for the skill, heart, and determination you bring to your work. I am deeply grateful to be part of an agency powered by people who understand that public transit is about more than moving vehicles. It is about moving people, creating connections, and strengthening the communities we serve.

Please know how much your work matters and how deeply it is appreciated.

On Labor Day, and every day, thank you for all that you do for VTA and for the communities we are proud to serve.
