## Preliminary Observations: Meeting Attendance

### Meeting Attendance

<table>
<thead>
<tr>
<th><strong>Objective</strong></th>
<th>Assess whether Board and Standing Committee members and Alternates are attending meetings, to fulfill their Board responsibilities.</th>
</tr>

<tbody>
<tr>
<td><strong>Risk</strong></td>
<td>VTA is not in compliance with its Administrative Code or Board Rules of Procedure.</td>

<tr>
<td><strong>Governance</strong></td>
<td>Administrative Code and Board Rules of Procedure.</td>
</tr>
<tr>
<td><strong>Scope</strong></td>
<td>VTA Board and Committee meetings during calendar year 2018 and 2019 to date (January through August)</td>
</tr>
</tbody>
</table>
| **Procedures** | 1. Review VTA Meeting schedule on website and Meeting Portal  
                   2. Review Attendance Logs and information on the VTA Board Portal.                                                         |
| **Conclusion** | Members’ attendance as reported on VTA’s Board Portal varied from a reported 17% to over 90%.                                    |

<tr>
<td>Observation</td>
</tr>
<tr>
<td>----------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Attendance information for each Board member and alternate is posted on VTA’s public Board Portal website. The period for which the percentage is presented is from the inception of MinuteTraq (VTA’s agenda management system) to date.</td>
</tr>
<tr>
<td>VTA internally produces Attendance Logs for its Board and Committee meetings. Board Alternates are shown as &quot;Absent&quot; rather than &quot;Not Applicable&quot; (as is used for Committees) if they are not needed for a meeting. This inconsistency leads to lower than actual attendance records reported for Board Alternates.</td>
</tr>
</tbody>
</table>
| The Administrative Code states that "Alternate members shall regularly attend Board meetings and sit for and vote in the place of a Director for his or her City or County Grouping if the Director is absent". (Section 2-12). However, Alternates are typically notified if the regular Member is expected to attend, and then frequently do not attend themselves. Some Alternates’ attendance records reflect high absence rates (as high as 83%), partially because they have been provided the option not to participate in meetings. |    | 3. a). The Admin Code could be reasonably interpreted as requiring Alternates members to attend meetings. State the Board’s preference clearly to members and Alternates.  

b). Utilize the provision to help develop informed and committed Alternates and possible future Members, and require the Alternates’ attendance at meetings, regardless of whether the regular Member is attending. |

<tr>
<td>The Board has approved “Recommended Guidelines for VTA Member Agency Use in Making Appointments to the VTA Board of Directors or the Policy Advisory Committee.” We observed that: a). The Guidelines are solely suggestions, and do not have to be adopted or followed by an individual city or city grouping. b). The Guidelines do not address any Committees other than the Policy Advisory Committee (PAC). c). There are no stated remedies or support for Members who may not be able to meet the suggested Expectations. d). The Expectations are not measured. They include “regular” attendance, hours devoted per month, a “fiduciary responsibility” to vote for the best interests of the region, and keeping their respective jurisdictions informed of key issues.</td>

#### Observation

- **VTA currently has 23 active committees and 9 inactive committees that are shown on the public Board Portal.**

#### # 9

- b). Archive or segregate the materials from inactive Committees in a separate section of the Board Portal.
- c). Specify the actions required by the Board or Committee Chair to close or wind down committees in the Rules of Procedure or elsewhere.

- **Working groups, which are subsets of Committees, are treated inconsistently on the Board Portal. The Technical Advisory Committee (TAC) has three working groups: 1) Land Use/Transportation Integration (LUTI), 2) Capital Improvement Program (CIP) and 3) Systems Operations & Management (SOM). The LUTI working group is shown as a separate group on the Board Portal. The other two working groups are not identified.**

- **Also, the Administrative Code and Rules of Procedure do not contain any reference to working groups, or their role, creation or dissolution.**

#### # 10

- Define the roles of Working Groups, and post the Working Group agendas and information under the related Committee.
