CALIFORNIA UNIFIED CERTIFICATION PROGRAM (CUCP)

Thank you for your interest in participating in the California Unified Certification Program (CUCP) for Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE). As mandated by the United States Department of Transportation (U.S. DOT), 49 Code of Federal Regulations (CFR), Part 23 and 26, all U.S. DOT recipients of federal financial assistance must participate in a statewide UCP by March 2002. The UCP is a "One-Stop Shopping" certification procedure that eliminates the need for DBE/ACDBE firms to obtain certifications from multiple agencies within the State.

The CUCP is charged with the responsibility of certifying firms and compiling and maintaining the Database of certified DBE/ACDBEs for U.S. DOT grantees in California, pursuant to 49 CFR Part 23 and 26. The Database is intended to expand the use of DBE/ACDBE firms by maintaining complete and current information on those businesses and the products and services they can provide to all grantees of California.

Please complete the attached application and supplemental questionnaire if you wish to be considered for DBE/ACDBE certification and your business meets the following general guidelines:

- a) The firm must be at least 51% owned by one or more socially and economically disadvantaged individuals.
- b) The firm must be an independent business, and one or more of the socially and economically disadvantaged owners must control its management and daily operations.
- c) Only existing for-profit "Small Business Concerns," as defined by the Small Business Act and Small Business Administration (SBA) regulations may be certified.

DBE Applicants are first subject to the applicable small business size standards of the SBA. Second, the average annual gross receipts for the firm (including its affiliates) over the previous three fiscal years must not exceed U.S. DOT's cap of \$23.98 million.

ACDBE Applicants are considered a small business if its gross receipts (including its affiliates), averaged over the firm's previous three fiscal years, do not exceed \$56.42 million, with the following exceptions:

(1) Banks and financial institutions: \$1 billion in assets;

(2) *Car rental companies:* \$75.23 million average annual gross receipts over the firm's three previous fiscal years.

(3) Pay telephones: 1,500 employees;

(4) Automobile dealers: 350 employees.

d) The Personal Net Worth (PNW) of each socially and economically disadvantaged owner must not exceed \$1.32 million, excluding the individual's ownership interest in the applicant firm and the equity in his/her primary residence.

Socially and economically disadvantaged individual means any individual who is a citizen of the United States (or lawfully admitted permanent resident) and who is a member of the following groups: Black American, Hispanic American, Native American, Asian-Pacific American, Subcontinent Asian American, or Women,

or

Any individual found to be socially and economically disadvantaged on a case-by-case basis by a certifying agency pursuant to the standards of the U.S. DOT 49 CFR Part 26, Appendix E

In order to avoid unnecessary delays, please complete all portions of the application and supplemental questionnaire, placing "N/A" next to items that are not applicable. Include all copies of documents requested on the application, and have the *Affidavit of Certification* notarized. Additional documentation may be requested if it is considered necessary to make a certification determination. Incomplete applications/supplemental questionnaires or applications/supplemental questionnaires without all the required documents will not be evaluated until such documents are submitted. We recommend keeping a copy of all submitted documents for your records.

REMEMBER: It is no longer necessary to apply at more than one agency. If your firm meets the criteria for certification, it will be entered into the Database of DBE/ACDBEs for all U.S. DOT grantees in California. Only firms currently certified as eligible DBE/ACDBEs may participate in the DBE programs of U.S. DOT grantees of California.

The CUCP has Certifying agencies throughout the State to effectively facilitate statewide DBE/ACDBE certification activities. Please forward your completed certification packet to **one** of the agencies serving the county where your firm has its principal place of business (see enclosed Roster of Certifying Agencies).

For Out-of-State Firms: The CUCP cannot process a new application for DBE certification from a firm having its principal place of business in another state unless the firm has already been certified in that state. If your firm is located outside of California and is certified as a DBE in your home state, please forward the following pursuant to 49 CFR Part 26.85, CUCP Out of State Declaration form, a copy of the approval letter, a complete copy of the application form, all supporting documents and any other information you have submitted (to-date) to your home state or any other state related to your firm's certification to the California Department of Transportation. ACDBE applicants submit the same information to the appropriate ACDBE Certifying Agency (see enclosed Roster of Certifying Agencies).

Notwithstanding any provision of Federal or state information disclosure law, the CUCP shall not release any information that may reasonably be construed as confidential business information to any third party without the written consent of the firm. However, if a USDOT recipient, in connection with its consideration of the eligibility of a firm, makes a written request for certification information from the CUCP, the information will be made available to the other recipient.

<u>UNIFORM CERTIFICATION APPLICATION</u> DISADVANTAGED BUSINESS ENTERPRISE (DBE) / AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) 49 C.F.R. Parts 23 and 26

Roadmap for Applicants

1. Should I apply?

You may be eligible to participate in the DBE/ACDBE program if:

- The firm is a for-profit business that performs or seeks to perform transportation related work (or a concession activity) for a recipient of Federal Transit Administration, Federal Highway Administration, or Federal Aviation Administration funds.
- The firm is at least 51% owned by a socially and economically disadvantaged individual(s) who also controls it.
- The firm's disadvantaged owners are U.S. citizens or lawfully admitted permanent residents of the U.S.
- The firm meets the Small Business Administration's size standard <u>and</u> does not exceed \$23.98 million in gross annual receipts for DBE (\$56.42 million for ACDBEs). (Other size standards apply for ACDBE that are banks/financial institutions, car rental companies, pay telephone firms, and automobile dealers.)

2. How do I apply?

First time applicants for DBE certification must complete and submit this certification application and related material to the certifying agency in your home state and participate in an on-site interview conducted by that agency. The attached document checklist can help you locate the items you need to submit to the agency with your completed application. If you fail to submit the required documents, your application may be delayed and/or denied. Firms already certified as a DBE do not have to complete this form, but may be asked by certifying agencies outside of your home state to provide a copy of your initial application form, supporting documents, and any other information you submitted to your home state to obtain certification or to any other state related to your certification.

3. Where can I send my application? [INSERT UCP PARTICIPATING MEMBER CONTACT INFORMATION]

4. Who will contact me about my application and what are the eligibility standards?

The DBE and ACDBE Programs require that all U.S. Department of Transportation (DOT) recipients of federal assistance participate in a statewide Unified Certification Program (UCP). The UCP is a one-stop certification program that eliminates the need for your firm to obtain certification from multiple certifying agencies within your state. The UCP is responsible for certifying firms and maintaining a database of certified DBEs and ACDBEs for DOT grantees, pursuant to the eligibility standards found in 49 C.F.R. Parts 23 and 26.

The agency that you apply to will use the information provided on your completed Personal Net Worth (PNW) Statement to determine whether you meet the economic disadvantage requirements of 49 C.F.R. Parts 23 and 26. If there are discrepancies or questions regarding your form, it may be returned to you to correct and complete again.

An individual's personal net worth according to 49 C.F.R. Parts 23 and 26 includes only his or her own share of assets held separately, jointly, or as community property with the individual's spouse and excludes the following:

- Individual's ownership interest in the applicant firm;
- Individual's equity in his or her primary residence;
- Tax and interest penalties that would accrue if retirement savings or investments (e.g., pension plans, Individual Retirement Accounts, 401(k) accounts, etc.) were distributed at the present time.

Indicate on the form, if any items are jointly owned. If the personal net worth of the majority owner(s) of the firm exceeds \$1.32 million, as defined by 49 C.F.R. Parts 23 and 26, the firm is not eligible for DBE or ACDBE certification. If the personal net worth of the majority owner(s) exceeds the \$1.32 million cap at any time after your firm is certified, the firm is no longer eligible for certification. Should that occur, it is your responsibility to contact your certifying agency in writing to advise that your firm no longer qualifies as a DBE or ACDBE. You must fill out all line items on the Personal Net Worth Statement.

If necessary, use additional sheets of paper to report all information and details. If you have any questions about completing this form, please contact one of the UCP certifying agencies.
