This is not an exclusive contract or a requirements contract, and it does not obligate VTA to fill through the Contractor all of its needs for the goods or services covered by the Contract. VTA is free to obtain these goods or services from other sources to the extent it sees fit. The minimum and maximum (if designated) quantities or dollar amounts required under the Contract are stated in the Scope of Work and/or Schedule of Prices and Estimated Quantities.

7. **OBLIGATION:** This Invitation for Bids does not obligate VTA to award a Contract or to pay costs incurred in the preparation or submittal of any Bid.

8. **INSURANCE:** Each prospective Bidder (herein referred to as the “Bidder” or “Contractor”) is cautioned to review the Insurance requirements of this solicitation. See Exhibit M-1.

These Bid Documents shall be deemed incorporated into the Contract, and the Contractor shall be bound by the terms and conditions set forth in these Bid Documents, when it executes and returns said Contract. By entering into the Contract, Contractor shall be deemed to have accepted the terms and conditions set forth herein; any additional or different terms proposed by Contractor shall not be deemed a part the Contract unless expressly assented to in writing by VTA.

2. **TERMINATION AND SUSPENSION:**

Upon receipt of such notice, Contractor shall stop work immediately and promptly terminate all orders and subcontracts insofar as they relate to this Contract. Within thirty (30) days after termination, Contractor may submit to VTA its written claim for any charges due to Contractor. Failure to submit the claim within this time period will constitute a waiver of all Contractor's claims arising out of the termination.

B. **FOR CAUSE:** VTA, by written notice given to Contractor, may declare default in Contractor's performance of any term of this Contract, specifying with particularity the basis for such default. Contractor shall deliver a response thereto in writing to VTA within five (5) business days of receipt of the notice, setting forth a reasonable proposal to cure the default. 17. SEVERABILITY: If any of the provisions or portions or applications thereof of this Contract are held to be unenforceable or invalid by any court of competent jurisdiction, VTA and Contractor shall negotiate an equitable adjustment in the provisions of the Contract with a view toward effecting the purpose of this Contract, and the validity and enforceability of the remaining provisions or portions or applications thereof shall not be affected thereby.

18. NOTICES: Notices provided for under this Contract shall be provided in writing and addressed to VTA's authorized representative.

19. INDEPENDENT CONTRACTOR: Contractor is an independent Contractor and not the agent or employee of VTA in performing its services under this Contract.

- 20. ENTIRE CONTRACT:** This Contract constitutes the entire contract between VTA and Contractor relating to the subject matter hereof and supersedes any previous contracts or understandings, oral or written.
- 21. AMENDMENT:** Except as expressly provided herein, the provisions of this Contract shall not be altered, modified or amended except through the execution of a written amendment executed by VTA and Contractor.
- 22. DAYS:** For purposes of this Contract, all references herein to “day” shall mean calendar day, unless specified otherwise. All references to “calendar day” shall mean any day, including Saturday, Sunday and all legal holidays. All references to “working day” shall mean any business day, excluding Saturdays, Sundays and legal holidays.
- 23. GOVERNING LAW:** The laws of the State of California will govern these terms and conditions, as well as any claim that might arise between Contractor and VTA, without regard to conflict of law provisions.

25. INDEMNIFICATION

GENERAL INDEMNIFICATION

Contractor agrees to indemnify, defend, and hold harmless VTA and its respective board members, officers, agents, employees, and consultants (each an “Indemnitee”) from and against any and all liabilities, damages, losses, expenses, claims, demands, suits, fines, or judgments (each, a “Claim” and collectively, the “Claims”), including reasonable attorneys’ fees, costs, and expenses incidental thereto, which may be suffered by, incurred by, accrued against, charged to, or recoverable from any Indemnitee, by reason of any Claim arising out of or relating to any act, error or omission, negligence, or misconduct of Contractor and its officers, directors, agents, employees, and subcontractors, during the performance of this Contract, including, without limitation, Claims arising out of or relating to: (a) bodily injury (including death) or damage to tangible personal or real property; (b) any payment required to be paid by Contractor to subcontractors, if any; (c) any material misrepresentation or breach of warranty of any representation or warranty set forth in this Contract; or, (d) any material breach of any covenant set forth in this Contract; provided, however, that the foregoing indemnity shall not apply to the extent that the applicable Claim resulted from the acts or omissions of an Indemnitee.

INFRINGEMENT INDEMNIFICATION

Contractor agrees to indemnify, defend, and hold harmless Indemnitee from and against any and all Claims, including reasonable attorneys’ fees, costs, and expenses incidental thereto, which may be

suffered by, incurred by, accrued against, charged to, or recoverable from any Indemnitee, by reason of any Claim arising out of or relating to the goods and/or services infringing or misappropriating any United States or foreign patent, copyright, trade secret, trademark, or other proprietary right. In the event that Contractor is enjoined from providing the goods and/or services and such injunction is not dissolved within thirty (30) calendar days, or in the event that VTA is adjudged, in any final order of a court of competent jurisdiction from which no appeal is taken, to have infringed upon or misappropriated any patent, copyright, trade secret, trademark, or other proprietary right in the access or use of the goods and/or services, then Contractor shall, at its expense: (a) obtain for VTA the right to continue using such goods and/or services; (b) replace or modify such goods and/or services so that they do not infringe upon or misappropriate such proprietary right and is free to be used by VTA; or, (c) in the event that Contractor is unable or determines, in its reasonable judgment, that it is commercially unreasonable to do either of the aforementioned, Contractor shall promptly refund to VTA any pre-paid fees (includes pre-paid support fees).

To the greatest extent permitted by law, Contractor agrees, at its own expense, and upon written request by VTA, to immediately defend any suit, action, claim, or demand brought against any Indemnitee founded upon, alleging, or implicating any liabilities, damages, losses, expenses, claims, demands, suits, fines, or fees and costs covered by Contractor's indemnity obligation set forth in this Infringement Indemnification regardless of whether Contractor and/or any of its agents, employees, or subcontractors did, in fact, infringe any intellectual property rights.

INDEMNIFICATION PROCEDURES

Contractor's obligations under the Indemnification sections are expressly conditioned on the following: VTA shall (a) promptly notify Contractor, in writing, of any such Claim of which VTA has actual knowledge (provided that failure to do so will only release Contractor from this indemnity obligation to the extent that such failure led to material prejudice), (b) in writing, grant Contractor sole control of the defense of any such claim and of all negotiations for its settlement or compromise, provided that no such settlement or compromise may impose any liability or other obligations on VTA, and (c) reasonably cooperate with Contractor to facilitate the settlement or defense of the claim. Notwithstanding the foregoing, VTA may participate, at VTA's own expense, in the defense of such Claim.

SURVIVAL

This indemnification and defense of claims provision will survive the expiration or termination of the Contract and remain in full force and effect.

SMALL BUSINESS ENTERPRISE (SBE) POLICY AND REQUIREMENTS
IFB NUMBER P19067
ADHESIVES, LUBRICANTS, AND SEALANTS

1. **POLICY:** It is the policy of the Santa Clara Valley Transportation Authority to ensure that Small Business Enterprises (SBE) as defined in federal regulations at 13 CFR Part 121 have the opportunity to participate in the performance of contracts and subcontracts financed with local funds.
 - A. Any certified DBE is eligible to participate as an SBE toward the SBE goal.
 - B. VTA's Office of Business Diversity Program encourages Contractors to call (408) 321-5962 for assistance in identifying eligible SBE firms. Listings of eligible firms are also available on the internet at the following: vta.org/procurement/general/sbe_search.html.
2. **GOAL:** There is no specific goal established for this Contract. However, Contractor is encouraged to make every effort to meet VTA's overall agency goal of 19% where possible.
3. **COUNTING TOWARD THE SBE GOAL:** SBEs may perform as Contractors, subcontractors (1st tier), or subcontractor to subcontractor (2nd tier). Only the value of the work actually performed by the SBE, including materials and supplies, will be counted toward the SBE goal.
 - A. An SBE must perform a commercially useful function; i.e., must be responsible for the execution of a distinct element of the work and must carry out its responsibility by actually performing, managing and supervising the work.

If an SBE does not perform or exercise responsibility of at least thirty percent (30%) of the total cost of its Contract with its own work force, or if the SBE subcontracts a greater portion of work of a Contract than would be expected on the basis of normal industry practice, then it will be presumed that the SBE is not performing a commercially useful function.
 - B. Credit for an SBE vendor of materials or supplies is limited to sixty percent (60%) of the amount to be paid to the vendor for the materials or supplies unless the vendor manufactures or substantially alters the goods. Credit for SBE brokers is limited to only the fees and commissions portion of the amount paid. All other firms receive one hundred percent (100%) credit, less work subcontracted by the SBE to non-SBE firms, toward the SBE goal.
 - C. Credit for SBE trucking firms is limited to the amount performed by the SBE's own trucks and drivers and by certified SBE trucking sub haulers. An SBE trucking firm must itself own and operate at least one fully licensed, insured and operational truck used on the Contract.
 - D. In a joint venture, only the portion of the total dollar value of the Contract equal to the distinct, clearly-defined portion of the work of the Contract that the SBE performs with its own forces will be counted toward the SBE goal.

- E. During the life of a Contract, work performed by SBE firms whose certification has expired will not continue to be counted toward the SBE goal. Only work performed by a certified SBE firm will be counted toward the SBE goal when the SBE firm has been paid.
 - F. Bidders are encouraged to utilize services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in VTA's community and marketplace.
4. **AWARD OF THE CONTRACT:** VTA will award this Contract to the lowest responsible and responsive Bidder as required by federal and California laws.
5. **SUBMITTALS:** All Bidders shall submit the following:
- A. Bid Form 2-A: Listing of SBE Contractor, subcontractor(s) or supplier(s) Bidder intends to use and count toward VTA's overall agency SBE goal, with a complete description of services or supplies to be provided by each, work which the SBE further subcontracts to non-SBE firms, and the dollar value of each such subcontracting or supplies transaction.
 - B. Bid Form 2-B: Supplemental Contractor and Subcontractor Information.
6. **NONDISCRIMINATION:** The Contractor shall make VTA's contracting requirements known to subcontractors, vendors and suppliers who are certified or accepted as certifiable as SBE, as well as to non-SBE businesses, and shall provide a practical opportunity for all firms to participate in the Contract.
7. **SUBSTITUTION OF SBE SUBCONTRACTOR WITH NON-SBE SUBCONTRACTOR:** An SBE subcontractor or supplier shall not be replaced without the prior written consent of VTA. Contractor shall make good faith efforts to find another SBE subcontractor or supplier to substitute for the original SBE. The efforts employed by the Contractor shall be those that one could reasonably expect a Contractor to take if the Contractor were actively and aggressively trying to engage a certified SBE firm to substitute for an SBE firm that has to be replaced and shall include the following:
- A. Contractor shall immediately notify VTA in writing of its intent to replace a SBE firm, and of the reasons therefore, prior to any solicitation or advertisement for replacement firms. A copy of the notice shall be provided to the VTA Office of Business Diversity Program (OBDP).
 - B. VTA will provide written notice to the SBE firm of Contractor's request for substitution and of the reasons therefor and they will be requested to provide any written objections within five (5) working days.
 - C. Contractor shall utilize the following sources for identifying certified SBE firms for solicitation: California DBE Uniform Certification Program (UCP) database; California Department of General Services Small Business database; VTA SBE database.
 - D. Contractor shall provide written notice to at least five (5) firms in each work or material/supply category to be substituted. If Contractor provides written notice to fewer than (5) five firms Contractor shall explain to OBDP in writing why the number of firms solicited was sufficient. Written notice shall be sent first to firms located in the County of

Santa Clara and its contiguous counties (“local firms”) and then, where appropriate, to out-of-area SBE firms.

- E.** Contractor shall contact the SBE firms solicited to determine with certainty whether the firms are interested in bidding on the project. This follow-up shall be documented with telephone logs, fax logs or other written documentation and submitted to OBDP.
 - F.** Contractor shall provide OBDP with the following information:
 - (1)** A list and copies of all SBE and non-SBE responses to the solicitation, including all Bids received.
 - (2)** If a Bid is rejected by Contractor, the reasons for the rejection.
 - (3)** If Contractor rejected an SBE firm as unqualified, a description of the qualification assessment conducted by Contractor and the factors considered.
 - G.** A Contractor who fails to use good faith efforts to replace an SBE firm with another SBE firm may be subject to the imposition of a penalty of up to fifteen percent (15%) of the value of the work of the subcontractor or supplier replaced.
- 8. MONTHLY SBE UTILIZATION REPORT:** Contractors are required to submit a monthly SBE Utilization Report electronically to the SBE Administrator, VTA Office of Business Diversity Program. These monthly reports shall be submitted electronically and the Contractor will document the dollar value of payments to SBE firms, and the percentage of the Contract completed. VTA will monitor the Contract for compliance with SBE requirements.
- A.** This system is web-based, accessible from any computer via the internet at <https://vta.sbdbe.com>. Each Contractor and subcontractor will receive an email providing them with Log On identification, and a temporary password and instructions on how to use the system. Classroom training will also be provided. Other assistance will be provided upon request.
 - B.** Contractor will include this requirement in all of its subcontracts and purchase orders when required to provide or verify SBE utilization documentation.
 - C.** If the SBE Utilization Reports indicate potential problems, the Contractor shall meet with the appropriate VTA representative(s) to address any deficiencies and discuss appropriate corrective actions.
 - D.** Prior to final payment, Contractor will be required to submit a final SBE Utilization Report. In addition to payments to the SBEs, the final report must include payments to and other information about all other businesses, including non-SBE subcontractors, suppliers of materials, trucking firms, consultants and others.
 - E.** Failure by Contractor to submit required reports as described above may be considered grounds for a determination by VTA of non-responsibility in consideration of Contractor’s eligibility to bid on or be awarded future work.

9. **PROMPT PAYMENT:** The Contractor must adhere to all federal and California prompt payment laws and regulations. If Contractor does not adhere to prompt payment requirements, penalties may apply.

**INSURANCE REQUIREMENTS – EXHIBIT M-1
FOR
IFB P19067
ADHESIVE, LUBRICANTS, AND SEALANTS**

CONTRACTOR’S ATTENTION IS DIRECTED TO THE INSURANCE REQUIREMENTS BELOW. IT IS HIGHLY RECOMMENDED THAT CONTRACTORS CONFER WITH THEIR INSURANCE CARRIERS OR BROKERS IN ADVANCE OF PROPOSAL SUBMISSION TO DETERMINE THE AVAILABILITY OF INSURANCE CERTIFICATES AND ENDORSEMENTS REQUIRED BY THIS CONTRACT.

INSURANCE: Without limiting the Contractor’s indemnification of VTA, the Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, employees or sub-contractors. The cost of such insurance must be included in the Contractor’s Bid/Proposal. The Contractor must furnish complete copies of all insurance policies, within three (3) business days of any such request by VTA.

A. LIABILITY AND WORKERS’ COMPENSATION INSURANCE

1. Minimum Scope of Coverage: Coverage must be at least as broad as:

- a.** General Liability coverage; Insurance Services Office “occurrence” form CG 0001. General Liability insurance written on a “claims made” basis is not acceptable.
- b.** Business Auto Coverage, Insurance Services Office form number CA 0001, covering Automobile Liability, code 1 “any auto.” Auto Liability written on a “claims made” basis is not acceptable.
- c.** Workers’ Compensation insurance, as required by the Labor Code of the State of California, and Employers Liability insurance.
- d.** Cargo insurance; coverage equivalent to AIMU “All Risk” form including War, Strikes, Riots & Civil Commotion, and Domestic Transit if applicable. If cargo is shipped on an “On Deck” bill of lading, insurance policy must provide coverage for the full value of the shipment. Property insurance “In Transit” coverage is sufficient if applicable to “customers goods” or “property of others” and there is no exclusion for the means of conveyance.

2. Minimum Limits of Insurance: Contractor must maintain limits no less than:

-
- a. General Liability (including umbrella/excess liability): \$3,000,000 limit per occurrence for bodily injury, personal injury, and property damage. If General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit must apply separately to this project/location or the general aggregate limit must be twice the required occurrence limit. This requirement may be satisfied by a combination of General Liability with Excess or Umbrella, but in no event may the General Liability primary policy limit per occurrence be less than \$2,000,000. Excess policies must feature inception and expiration dates concurrent with the underlying general liability policy, and a “Drop Down” provision.
 - b. Cargo insurance: The limit shown on the policy must be equivalent to the largest individual shipment traveling on a single conveyance.
- B. SELF-INSURED RETENTION:** The certificate must disclose the actual amount of any deductible or self-insured retention for all coverages. Any self-insured retention or deductible in excess of \$50,000 (\$100,000 if Contractor is a publicly-traded company) must be declared to and approved by VTA. If Contractor is a governmental authority such as a state, municipality or special district, self-insurance is permitted. To apply for approval for a level of retention in excess of the stipulated amounts stated herein, the Contractor must provide a current financial statement documenting the ability to pay claims falling within the self-insured retention. At the option of VTA, either: the insurer must reduce or eliminate such self-insured retention as respects VTA, its officers, officials, employees and volunteers; or the Contractor must procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- C. CLAIMS MADE PROVISIONS (NOT APPLICABLE TO GENERAL LIABILITY OR AUTO LIABILITY):** Claims-made coverage is never acceptable for General Liability or Auto Liability. Claims-made may be considered for Professional, Environmental/Pollution, or Cyber Liability. If coverage is written on a claims-made basis, the Certificate of Insurance must clearly state so. In addition to all other coverage requirements, such policy must provide that:
- 1. The policy retroactive date must be no later than the date of this Contract.
 - 2. If any policy is not renewed or the retroactive date of such policy is to be changed, the Contractor must obtain or cause to be obtained the broadest extended reporting period coverage available in the commercial insurance market. This extended reporting provision must be of at least two (2) years.
 - 3. No prior acts exclusion to which coverage is subject that predates the date of this Contract.
 - 4. Policy allows for reporting of circumstances or incidents that might give rise to future claims.
- D. OTHER PROVISIONS:** The policies are to contain, or be endorsed to contain, the following provisions:
- 1. **General Liability and Automobile Liability**

- a. VTA, its officers, officials, employees and volunteers are to be named as additional insureds as respects: liability arising out of activities performed by or on behalf of the Contractor, including VTA's general supervision of the Contractor; products and completed operations of the Contractor and its subcontractors; premises owned, occupied or used by the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor. The coverage must contain no special limitations on the scope of protection afforded to VTA, its officers, officials, employees, or volunteers. Additional Insured endorsements must provide coverage at least as broad as afforded by the combination of ISO CG 20 10 10 01 and CG 20 37 10 01.
 - b. The Contractor's insurance coverage must be primary insurance as respects VTA, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by VTA, its officers, officials, employees, or volunteers must be excess of the Contractor's insurance and may not contribute with it.
