QUESTIONS AND ANSWERS

SET #3

TO : All Prospective Bidders
FROM : Ehab Azab, Construction Contracts Administrator
SUBJECT : Contract C20120 – Eastridge BART Regional Connector

Q7. I got this warning “This website has classified as malicious, opening the website might not be safe” when I opened the link below (given the link). Is this related to the Industry Forum?

A7. No, the link you sent is not related to “Industry review” webinar.

Q8. Would you have time for a brief call with me and my colleague? We would touch on our ability to provide value analyses on walls, trackwork & roads for the Eastridge project. This would be a brief call to discuss your project and what value we could possibly bring. We can also do a MS Teams call to show some examples with other projects and the value engineering benefits. I attached our statement of qualifications for a brief overview of the engineering and applications we live in.

A8. Please refer to Answer #A6 of Q&A Set #2 published on July 20, 2020.

Questions received during “Industry Review” webinar:

Q9. Why are we not allowed to see the other industry contractors and participants for networking?

A9. List of attendees will be posted at website on July 29, 2020. All participants were required to register to sign in and gain access to the presentation. VTA will make the registration list available to the participants and to future companies that are interested in the industry review and the future solicitation.

Q10. Why is the “Chat” feature not available for a Q&A session? Not typical for an owner agency project webinar to be so concealed to the industry contractors.

A10. Presenter has allowed all attendees enough time to ask questions at end of presentation. In addition, see A8, above.

Q11. if I want to ask any questions do I simply hit the “raise hand” button at the bottom of the screen and wait for the presenter to call on me?

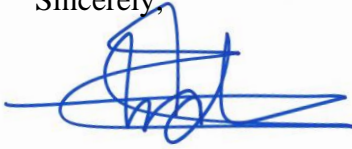

A11. Correct. Primes, Subcontractors, and DBE/SBE status will be provided on the Attendees list, which will be provided on the website.

Q12. Please have folks state if they're firms are Primes.

A12. This information is requested in order to register in the webinar. The list of attendees will contain this information.

If you have any questions, please do not hesitate to contact me at ehab.azab@vta.org.

Sincerely,

Ehab Azab
Construction Contracts Administrator
